

The Yun Family's Ninth Child is an Imp! Chapter 2167

Yun Chujiu's side remained silent. Those people mocked her a little, but seeing that it was meaningless, they decided to leave.

At this moment, a young girl dressed in white said in surprise, "Bingyu, why does that country bumpkin look a little like you?"

Previously, no one had really looked closely at Yun Chujiu's appearance. When they heard the white-clothed girl say this, many people's gazes fell on Yun chujiu, especially the red-clothed girl. She was annoyed to discover that.., the country bumpkin opposite her did indeed look similar to her. The most hateful thing was that the country bumpkin was more beautiful than her.

The red-robed girl felt that she could not hold back anymore. She glared at the white-robed girl. "Liu Jinluan, why are you comparing me to a trash? What are your intentions?"

The white-robed girl.., liu Jinluan's face was filled with embarrassment. "I was just saying that. Besides, how can a trash like her be compared to you? Don't be angry. If you don't like her, just get someone to kill them all."

Yun chujiu narrowed her eyes. She made it sound so natural. It seemed that this Liu Jinluan was not a good person. Moreover, her family background should be pretty good. She might even be a disciple of a first-class family.

Before the red-dressed girl could speak, a man who looked somewhat similar to Liu Jinluan berated, "Jinluan, don't spout nonsense! Sister Bingyu, it's more important for us to look for the Rainbow Crystal Mushroom. Let's hurry."

That man was obviously the leader among these young people. Hence, even though Liu Jinluan and the red-dressed girl wanted to find trouble with Yun Chujiu, they still followed that man and continued to walk inside.

When he saw that Liu Jinluan and the rest had disappeared, manager Liu wiped the sweat off his forehead. Even his back was drenched, he spoke with a sobbing tone, "Miss FANGCAO, if my guess is correct, those people are from first-class families. They are not people we can afford to provoke. "If you want to train, let's go somewhere else. Otherwise, if we meet them again, we might be doomed!"

Yun Chujiu's eyes flashed. She knew that if they really fought, her current strength would be like an egg hitting a stone.

In the end, Yun Chujiu decided to avoid Liu Jinluan and the others. After all, it was not too late for a gentleman to take revenge. She would wait and see in the future.

Therefore, she asked manager Liu, "If we go further, is there still such a large forest?"

Manager Liu did not dare to lie, so he could only tell the truth. "Although there are still a few forests, the area is very small."

Yun chujiu narrowed her eyes and thought for a while. “How about this, we go around to the west, so that we won’t meet them.”

Manager Liu Heard Yun Chujiu’s words and felt that it was fine. After all, they were going in two different directions. They shouldn’t meet those people again.

Therefore, the group took a detour of more than ten miles to the west of the psychedelic forest and continued to walk inside.

At this moment, a 30-step iron-bone wild boar rushed out and pounced on Yun Chujiu while howling.

The guards behind were about to help when yun chujiu shouted, “Don’t worry about it. I’ll deal with it.”

Yun chujiu was already holding her anger in her heart. Seeing that this damn iron-bone wild boar didn’t pounce on anyone, but pounced on her, she became even angrier! F * ck, even a persimmon is easy to pick, and even a pig like you dares to bully me? Today, I’ll make sure you never come back!

Manager Liu and those guards had helpless expressions. This Miss Fang Cao was good in every way, but she was too proud. You're only at the sixth level of the spiritual venerable realm, and this thirty level iron-bone wild boar is equivalent to the ninth level of the spiritual venerable realm. Can you do it?
