

The Yun Family's Ninth Child is an Imp! Chapter 2175

While ye Bingyu was staring at the battlefield, she suddenly staggered. At this moment, an ice-cold dagger was placed on her neck. "Don't move!"

Liu Jinluan and the others were all focused on the battlefield. By the time they realized that ye Bingyu was being restrained, it was already too late.

Liu Pinyan could not help but be shocked. "You, who are you? Let sister Bingyu go quickly!"

"Back off! If you don't back off, I'll kill her!" An Feng said coldly. With a slight force of his hand, Ye Bingyu's neck was bleeding.

Liu Pinyan and the others didn't dare to act rashly. They quickly said, "We can discuss this. Don't be rash! Don't be rash!"

An Feng smiled coldly. "If you want me to be rash, then let them go. Also, back off. Otherwise, I'll let her go to hell with us!"

Liu Pinyan didn't dare to say no. He quickly ordered the guards surrounding Yun Chujiu to retreat, then, he said, "Young master, let's talk things out! The hostage in your hand is the eldest daughter of the first-class ye family. If you kill her, you won't be able to recover."

An Feng snorted. "Let's talk about it in the future. Now, all of you listen to me. Stay where you are and don't move! Once we leave the psychedelic forest, we will naturally let her go."

Although Liu Pinyan wanted to tear an feng into pieces, Ye Bingyu was in an Feng's hands, so he could only swallow his anger and say, "Alright, we will stay where we are. If you dare to go back on your words, you and your family will die!"

An Feng gave Yun chujiu a look and was about to leave., yun chujiu curled her lips, "We can't leave like this. There is an additional condition." "All of you, swear immediately that you can't mention what happened today to anyone. Moreover, you can't trace our identities. Otherwise, you'll be struck to death by lightning! "If you don't say it, I'll draw a little bastard on this pretty little face!"

As Yun Chujiu spoke, she took out the omnipotent kitchen knife and gestured a few times on ye Bingyu's face. Ye Bingyu's eyes were filled with viciousness. She had never suffered such a huge loss since she was young. B * TCH, I will remember you. I will destroy your family!

Liu Pinyan and the others had no choice but to swear unwillingly. Yun chujiu then used the kitchen knife to Pat ye Bingyu's face twice. "It's your turn! Do you choose to swear or disfigure?"

Ye Bingyu only stared at Yun Chujiu viciously. She felt that Yun Chujiu did not dare to really make a move.

Obviously, she had misjudged Yun Chujiu's courage. Yun chujiu used the kitchen knife to lightly cut ye Bingyu's face, and a hideous wound appeared on her face.

Ye Bingyu cried out in pain. Yun Chujiu said with a smile, "How is it? Do you swear or not?"

Ye Bingyu cared about her appearance the most, she gritted her teeth and swore, "Good! Very good! B * TCH, I will remember you! I will not investigate your background, but if you bump into me in the future, I will make your life worse than death!"

Yun chujiu smiled brightly, "Little B * tch, don't worry. We will meet soon. When the time comes, we will have our revenge. Let's see if you have the ability!"

Ye Bingyu did not understand what Yun chujiu meant. They would meet soon? HMPH! She must be lying. She estimated that she would hide when she went back. However, she would not be able to hide forever. She did not believe that they would not meet again in the future.
