

## The Yun Family's Ninth Child is an Imp! Chapter 2180

Mo Fangbing felt that what Yun Chujiu said made sense, she nodded. "Alright, then we'll do as you say. It's just that our thoughts are pretty good. Will great-grandfather agree to it? "Moreover, you're not a resident of the eastern continent yet. The first condition to apply for the exam is that you need to be a resident of the eastern continent."

"That's not a problem. I'll take care of it. Just wait for me to apply for the exam!" "It would be great if you could collect the test contents of the WA Stone Academy, Xingtian Academy, and the vast sea sect," Yun Chujiu said nonchalantly after taking a few bites of the spirit fruit.

Mo Fangbing was skeptical and urged, "You have to hurry up. There's only a month left, and the journey will be delayed for a few days. In addition, we have to gather information in advance. There's not much time left."

"Don't worry! I'll settle it soon. I'll go see the Great Elder now." Yun Chujiu took out a handkerchief to wipe her mouth and left Mo Fangbing's courtyard.

When Yun Chujiu saw the great elder, she did not hide anything, she said directly, "Great Elder, I heard that the WA Stone Academy and Xingtian Academy will be recruiting students in a month's time. This is a good opportunity. It can't be missed, and it won't come again. I want to apply."

The Grand Elder was mentally prepared for this, he nodded. "You can apply. I can also help you become a resident of the eastern continent. But this time, I can only take care of you. "If you can succeed in the exam, I will bring the other people from Guangshunzhi into my family."

Yun chujiu thought to herself that she couldn't be bothered with those people, but on the surface, she said confidently, "Grand Elder, don't worry. I will do my best! "Also, let sister Fangbing go with me. The two of us can take care of each other. Besides, Sister Fangbing has a good aptitude. She will definitely pass the exam."

The great elder naturally would not stop her. If Mo Fangbing could pass the exam, it would naturally be a great blessing. However, it was not that the younger generation of the Mo family had never tried it before. Every time, they returned in defeat. As time passed, they did not have much confidence to apply for the exam.

In the evening, Yun Chujiu left the Great Elder's courtyard. First, she went to Mo Fangbing's Courtyard to inform her of the news. Then, she returned to the residence of the fifth house.

As the sky gradually turned dark, Yun Chujiu felt a little drowsy. At this moment, the sound transmission talisman began to vibrate.

Yun Chujiu thought that it was a sound transmission talisman sent by di beiming. In the end, she found out that it was actually a sound transmission talisman sent by Xue Wuji. She could not help but feel surprised and happy. After sending her divine sense into it., xue Wuji's voice came from inside. "Little Sister Jiu! Big Brother came to the immortal Yuan continent to look for you! Where are you now?"

Yun Chujiu was happy, but she could not help but feel a little discouraged. The people who had just ascended from the Tian Yuan continent would be sent to the western continent, and she was still in the eastern continent, so she still could not meet them.

“Big Brother Wuji, I am in the eastern continent’s Fu Hu city. Are You in the western continent? Don’t be anxious. When you have cultivated to the spirit void realm or when I enter an advanced academy, I will think of a way to get you to the eastern continent.”

After a while, the sound transmission talisman began to vibrate, xue Wuji’s smug voice came from inside. “Little ninth sister, you don’t know this. I’m such a talented person who ascended, so naturally, I’m different from the others. We’ve been directly teleported to the east continent this time, so naturally, we’re the proper residents of the East Continent.”

“You? Who else is there besides you?”

“Of course it’s Your Beauty, Jin Zhi! We’ll go to Fu Hu City to look for you now. It’ll probably take about ten days.”

Yun chujiu was so happy that she was going crazy. “Brother Wu Ji, how about this? Let’s meet up in Tian Luo City. I’m going to apply for the WA Stone Academy and Xingtian Academy. We can apply together.”
