

The Yun Family's Ninth Child is an Imp! Chapter 2183

Before Yun Chujiu could say anything, Xue Wuji was already unhappy. He raised his slender phoenix eyes and said, "Who are you? How Dare You Scold My Little Sister Jiu? How dare you!"

"Who do you think you are? How dare you..."Ye Bingyu stopped mid-sentence and her face turned red. There was actually such a good-looking man in the world?

Xue Wuji did not know that he had met a rotten peach blossom. Seeing that ye Bingyu had stopped mid-sentence., he could not help but Snort coldly. "I'm warning you. If I hear you scold my little ninth sister again in the future, I won't forgive you! Little ninth sister, Big Brother will treat you to a meal. Don't pay attention to this lunatic!"

Yun chujiu was very smart. The moment she saw ye Bingyu's appearance, she knew that she had taken a liking to Xue Wuji. She could not help but twitch her lips. Pui! She actually dared to covet brother Wuji. How Shameless! Brother Wuji left that for my qiqi!

"Bingyu, who are they?"Ye Wenhong didn't know what happened in the psychedelic forest and asked in puzzlement.

Only then did ye Bingyu come back to her senses and said perfunctorily, "It's just that there were some small grudges in the past. It's nothing major. Second cousin, I'm hungry. Let's Go Eat."

Hearing Ye Bingyu's words, Ye Wenhong didn't continue to ask further.

Liu Pinyan's expression didn't look too good. He had a good impression of ye bingyu, so he naturally observed her more carefully than others. He knew that Ye Bingyu was moved by the man in red.

Ye Bingyu saw Yun Chujiu and the other three enter a restaurant, and her eyes flashed. She called over a guard and ordered, "Keep an eye on the four of them, and then tell me what you've learned."

Liu Pinyan's expression became even more unsightly when he heard ye Bingyu's words. He had pursued her for such a long time, but there was still no progress. She actually paid so much attention to a man that she had only met once. This was really too much.

Liu Jinluan was not as meticulous as Liu Pinyan, she even said to Ye Bingyu with a smile, "Bingyu, I didn't expect that slut to know such a good-looking man. "TSK TSK, this is the first time I've seen a man wearing red clothes that is so charming with a hint of demonic charm. He is even more handsome than senior Jinlin of the WA Stone Academy."

"Yes, that person is indeed good-looking. I just don't know his identity."Ye Bingyu said with a slightly red face. If that person's family background was similar to hers, she would immediately ask her parents to find someone to matchmake him.

"Although he's good-looking, his status probably isn't much better. After all, that stinky girl is at most a member of a third-class family."Liu Jinluan curled her lips and said. What was the use of being good-looking? No status was useless.

Ye Bingyu knew that Liu Jinluan's guess was very likely to be right, but she still had a glimmer of hope. Even if that person was from a second-class family and begged her parents, they would still agree.

When the guards brought back the news the next morning, Ye Bingyu's heart turned cold.

That person was actually just an itinerant cultivator who had ascended, not even from a third-class family. Such a person simply did not have the qualifications to marry her.

Liu Jinluan had already been reprimanded by her brother. She knew that she had almost made things worse, so she quickly made up for it, she said disdainfully, "Bingyu, you wouldn't have taken a fancy to that red-clothed man, would you?" "Don't be silly. Other than being a little good-looking, not only is that man from a poor family background, but his spiritual power is also only at the first layer of the Ling Xuan Realm. He is simply trash." "In the immortal essence continent, strength is revered. Don't be fooled by his appearance."

Ye Bingyu's burning heart instantly cooled down. Not bad, he just has a good appearance. Such a man was not worthy of her. The moment her state of mind changed, she was somewhat annoyed at her loss of self-control yesterday. She even hated Xue Wuji in her heart.
