

The Yun Family's Ninth Child is an Imp! Chapter 2197

Teacher Pang frowned and walked up to Yun Chujiu. When he heard Yun chujiu muttering, he was so angry that he was amused!

“TSK TSK, this big pearl looks really rare. It would be great if it were all mine!”

“Sigh, a gentleman likes to take money in the right way. You Can't steal it or snatch it. Let's have a good time. It's good to touch it.”

..

Teacher Pang coughed twice. Yun chujiu turned around and looked at teacher Pang. She laughed dryly, “Teacher Pang, why aren't you resting?”

“You like these night pearls very much?”Teacher Pang asked instead of answering.

Yun Chujiu's eyes were shining. She kept nodding, “Teacher Pang, to be honest, I also have some night pearls in my hands, but they are much smaller than these. These big ones are still pleasing to the eye!”

“If you want these night-luminescent pearls, then you should first enter the Xingtian Academy.”. “Every test and assessment will have a corresponding reward. If you manage to enter, I can make the decision to use three night-luminescent pearls as the reward for the first place in the first Test.”

The reason why teacher Pang said this was mostly because he was joking. He felt that even if Yun chujiu really had the luck to enter the Xingtian Academy, it would still be impossible for her to obtain the first place in the first test.

However, Yun Chujiu’s eyes were as bright as stars. She said excitedly, “Are you serious? But three is too little. How about five?”

Teacher Pang’s face stiffened. Did this little girl misunderstand the main point? Wasn’t the main point now whether she could enter the Sky Punisher Academy? Why was his attention on three or five?

Teacher Pang coughed dryly. “Let’s wait until you pass the entrance exam! Let me ask you, how long did it take you to get rid of the illusion?”

Yun chujiu thought that as long as the Black Pearl was there, it would be able to see through the illusion in a minute. Naturally, this fellow would not tell the truth. She smiled and said, “I didn’t pay too much attention. It seemed like less than an hour!”

Teacher Pang glared at her. He knew that she was not telling the truth, but he could not continue to interrogate her. Coincidentally, another teacher was looking for him for something, so he turned around and left.

Yun chujiu pouted. Stingy!

This guy squatted down and continued to drool at the luminous pearl. He wished that he could keep it in his storage ring immediately. In fact, although the luminous pearl was expensive, this guy should be a little rich lady now. He should not be so greedy.

However, this guy had a special liking for the luminous pearl in his previous life. Otherwise, he would not have pried the luminous pearl off the roof of Xue Wuji's house.

As the sky gradually brightened, groups were sent out one after another.

When they saw Yun Chujiu and the other three people in the square, they were all surprised and confused. Could it be that this useless group came out earlier than them?

Diao Shaoyan's group was ranked ninth. He also noticed Yun Chujiu and the others. He thought that Yun Chujiu and the others had been eliminated and shamelessly stayed here.

Therefore, he walked up to Yun Chujiu and curled his lips. "You have all been eliminated. Why aren't you leaving? What are you doing here?"

“Are you trying to extort something to leave? Leave quickly! I’ve never seen such a shameless person!”

“Hey! Didn’t you hear what I said to you? Are You Deaf?”

..

Yun Chujiu looked at the night pearl for half the night. Teacher Pang had put away the night pearl at dawn, so this guy was catching up on sleep.

Initially, she thought that Diao Shaoyan would leave after saying a few words. She did not expect him to be insatiable. He was always grumpy when he woke up, so he suddenly opened his eyes..
