

## The Yun Family's Ninth Child is an Imp! Chapter 2199

Xue Wuji's slender and phoenix-like eyes twitched as he looked at Liang Hong with a bewitching look. "You sure talk big. What kind of ability is that? Let's see who is the one who will be eliminated!"

Seeing Xue Wuji's bewitching smile, some of the female examinees could not help but feel their hearts beating wildly. Although this person's spiritual power was a little low, he was really too good-looking. He was just like a person in a painting.

Liang Hong saw that those female examinees were all looking at Xue Wuji with adoration, and his heart was filled with jealousy and hatred, he snorted coldly. "Boasting? I'm at the seventh level of the spiritual profound realm, and you're at the first level of the spiritual profound realm. Who are we boasting about? What a good-looking but useless embroidered pillow!"

How could Xue Wuji's short temper endure this? If this was in the Tian Yuan continent, he would have long turned people into ashes! Even if his current spiritual power was not as high as Liang Honggao's, he still could not endure this anger.

Seeing that Xue Wuji's eyes were filled with killing intent, Yun Chujiu quickly grabbed his sleeve. "Brother Wuji, why bother to stoop to the level of a Mad Dog? Just see the truth during the test!"

When Liang Hong heard Yun Chujiu call him a mad dog, he was so angry that he gnashed his teeth. "Stupid girl, don't be complacent! I'll make you cry when the time comes!"

At this moment, teacher Pang told everyone to stand in the designated area to get the topographic map and prepare to receive the teleportation.

Before Liang Hong and the others left, they glared at Yun Chujiu and the others. Let's wait and see!

After everyone stood in the designated area, a white light flashed. When everyone opened their eyes again, they had already been teleported to the test site.

Yun chujiu originally thought that the two teams would be teleported to different locations. She did not expect that they would actually be teleported to the same location.

Liang Hong and the other three looked at Yun chujiu and sneered, "Stupid girl, aren't you arrogant? You better behave yourself, or there are plenty of ways to kill you!"

Yun chujiu blinked her eyes and did not say anything. Liang Hong was very pleased. He felt that Yun chujiu must be afraid. After mocking her a few more times, he brought the other three and left according to the map.

Xue Wuji was so angry that he gritted his teeth. "Little Sister Jiu, why don't you let me do it?"

Yun chujiu looked at Xue Wuji. "Brother Wuji, you have to understand a fact. "This is not the Tian Yuan continent, and you are not the young master Wuji who stands at the top. You are now at the bottom of the food chain. You have to learn to endure."

Although Xue Wuji knew that what Yun Chujiu said made sense, he still said angrily, "Little Sister Jiu, what you said makes sense. But Can we only endure this cowardice? I am so frustrated!"

The corner of Yun Chujiu's mouth curled up. "When you're not strong enough, you naturally can only endure. However, defeating a person can not only rely on fighting head-on, there are even more energy-saving methods. Don't you just want to vent your anger? Don't worry, I'll let you vent your anger. Eliminating them is the best punishment for them. The winner of this round of test will definitely be us."

Xue Wuji looked at Yun chujiu suspiciously. "Little Sister Jiu, although I admit that you have a lot of tricks up your sleeve, the opponent's spiritual power is much higher than ours. Can we get the token before them?"

Yun chujiu blinked her eyes. "As long as you listen to me, you can definitely do it!"

Xue Wuji and the other two could only try their best when they saw Yun Chujiu's confident look. They all nodded in agreement.

"Let's go, Let's Go!" Little Nine waved his paw after he finished his thought work.

Soon, Xue Wuji and the other two realized that something was wrong.
