

## The Yun Family's Ninth Child is an Imp! Chapter 2204

Yun chujju had no choice but to push Jin Zhi and Mo fangbing to the side, telling them not to look into the eyes of the four-eyed red-tailed fox and to meditate for a while.

Yun chujju knew that time was pressing at the moment. It was definitely not possible to fight according to plan. She had to end the battle quickly.

This fellow once again fooled the ten-thousand-year-old fire marrow in his palm. "Dear Little Flame, you are indeed the most powerful fire in the world. Come, help me again. I will not mention the matter of rent in the future."

Unfortunately, the ten-thousand-year-old fire marrow had most likely seen through this fellow's trick. In short, there was no reaction at all. Yun chujju was so angry that she wished she could bite her right palm a few times.

She could not count on the ten-thousand-year-old fire marrow anymore. Otherwise, she would use a spiritual beast!

Just as Yun Chujju was about to release the spiritual piglet, Xiao Heinia said smugly, "Master, have you forgotten my curse?"

Yun chujju was delighted. "Yes, yes, I was too busy. Quick, curse it!"

The little black bird began to curse with all its might. Just as the four-eyed red-tailed Fox was about to release its wind blades, it suddenly staggered. Yun chujiu immediately fired several small purple needles at its vulnerable parts, xue Wuji's skull of spiritual power also smashed at the four-eyed red-tailed Fox's head.

The four-eyed red-tailed Fox felt that Yun Chujiu's small purple needle had limited power, so it did not take Yun Chujiu's small purple needle seriously. It only rolled on the ground and dodged Xue Wuji's skull of spiritual power.

Boom! Boom!

After several explosions, the seven orifices and rear orifices of the four-eyed red-tailed Fox were blasted into a bloody mess. Then, the second wave of attacks from Yun Chujiu and Xue Wuji arrived.

The four-eyed red-tailed fox was already seriously injured. How could it bear it? A moment later, it was dead!

The spectators were once again in a frenzy!

"Oh my God, that little girl's spiritual energy materialization is actually a needle? It's the first time I've seen such a powerful spiritual energy needle. This heavenly thunder spirit root is indeed extraordinary."

“Logically speaking, this spiritual energy needle should be a low-level materialization technique. Why do I see that those spiritual energy needles have some intelligence?”

“You’re right. The parts that the spirit energy needles attack are all different. It’s obvious that they’re selective.” “And did you guys notice?” “That Mo Fangcao’s movement technique is extremely fast. Even though she’s at the sixth level of the spiritual venerable realm, it looks like she’s even faster than Xue Wuji’s movement technique.”

“That’s right. Her movement technique isn’t even slower than someone at the sixth level of the spiritual profound realm. She really is an evil little girl.”

Apart from these praises, there were also some different opinions. “Although that little girl’s spirit energy needle is rather evil, they were able to defeat that four-eyed red-tailed Fox mainly because that four-eyed red-tailed fox horse stumbled. Otherwise, it would be hard to say who would win.”

Everyone felt that he was right. There were still quite a number of demonic beasts behind them. They did not know if this group of two hundred and fifty would be able to obtain the token before the tenth group.

Teacher Pang was deep in thought. His focus was different from the others. The four-eyed red-tailed Fox was best at the power of charm, but Xue Wuji and Mo Fangcao were not affected.

It was likely that their spiritual roots had a certain resistance to the power of charm. Then why was Xue Wuji trapped in the seven emotions and six desires array during the first round of the test?

Teacher Pang Thought for a moment and revealed a look of understanding on his face. It was likely that the scene Xue Wuji saw when he fell into the illusion was something he had always dreamed of. Therefore, he was unwilling to wake up despite knowing that it was an illusion. This was his inner demon!

Teacher Pang Sighed and looked at the big screen again. He saw that Xue Wuji and the other three were in trouble again..
