

## The Yun Family's Ninth Child is an Imp! Chapter 221

Master Xuanyuan choked and had no choice but to take out a bracelet from his storage ring. "This is a phoenix-patterned enshrouding bracelet. It's a high-grade spirit tool that will automatically protect its master when it encounters a spirit energy attack..."

Before Master Xuanyuan could finish speaking, Yun Chujiu snatched the bracelet away. "Thank you, Master Xuanyuan! Aren't bracelets always a pair? Give me that one too! Otherwise, how pitiful would it be if there's only one!"

Master Xuanyuan's face stiffened. "I only have this one!"

"Alright! If there's none, then there's none! I'm not that greedy a person! Peak Master You, something happened to me on Middle Peak. Don't you have something to show for it?" Yun Chujiu stretched out her small claws pitifully.

Peak Master You was originally watching Master Xuanyuan's excitement with interest, but he did not expect Yun Chujiu to make such a scene, so he could only laugh dryly. He took out a white jade hairpin from his storage ring and handed it to Yun Chujiu. "This is the exquisite cold jade hairpin. It's also a high-grade spirit tool that can automatically activate when it encounters a spirit attack."

Yun Chujiu's hair was shoulder-length now, so she happily stuck the hairpin into her hair bun. After thanking him, she hopped away.

Master Xuanyuan and Master Youfeng looked at each other. For some reason, they felt that Yun Chujiu really had a high chance of getting into the top ten in the disciple test. It was not that she had much strength, but her ability to climb up ranks was truly unrivaled!

The two of them felt an incomparable pain in their hearts!

That was a high-grade spirit weapon!

Plus, it was a high-grade spirit weapon that could activate itself! That was a life-saving weapon!

Even if it was a true disciple, they would not be willing to give it away!

Yun Chujiu did not care whether they felt pain in their hearts or not. Seeing that it was getting late, she immediately returned to the dormitory. After all, there was Manager Gao keeping an eye on the spirit herb garden!

As for the aging pill, Yun Chujiu did not take it to heart. It had long been nibbled away by that strange grass.

Yun Chujiu was a little worried that Elder Qi would go crazy the next day when he returned. However, she had a big heart and was only worried for a while before forgetting about it.

Instead, she took out the jade pendant that Di Beiming had given her and looked at it. Seeing that there was a tiny crack on it, she felt a little pained! This time, it was all thanks to the gigolo's jade pendant. Otherwise, she would really have died.

Speaking of which, it had been a long time since she had contacted the gigolo. She did not know if the voice transmission talisman would work. 'Perhaps I should try it out.'

Yun Chujiu took out a voice transmission talisman and followed the method that Di Beiming had taught her. She sent her divine sense into it. "Cough! Cough! Prince Charming, I haven't seen you for a few days. Do you miss me, Yun Chujiu who is as beautiful as a flower? I have something to tell you. Today, two people came to the spirit herb garden. One of them was dressed in red, and the other one was in black. The one dressed in red was quite good-looking, but it's a pity that he's a pervert... My Prince Charming, the jade pendant you gave me has a tiny crack on it. You won't blame me, right?"

Yun Chujiu told him everything, then withdrew her spiritual sense and held her chin as she waited for Di Beiming's reply.

The miserable Di Beiming did not tell Yun Chujiu that there was a time limit to the voice transmission talisman recording. Yun Chujiu's words were coincidentally stuck at "The one in red was pretty good-looking", the rest of her words were not recorded at all!

Di Beiming had been holding back from contacting Yun Chujiu. Finally, he realized that the voice transmission talisman in his storage ring was trembling. He was so excited that his palms were sweating. He sent his divine sense into it while trembling slightly, then, he heard, "Cough! Cough! Prince Charming, I haven't seen you for a few days. Do you miss me, Yun Chujiu who is as beautiful as a flower? I have something to tell you. Today, two men came to the spirit herb garden. One of them was dressed in red while the other was in black. The one in red was pretty good-looking!"
