

The Yun Family's Ninth Child is an Imp! Chapter 2213

Yun chujiu shot a glance at Diao Shaoyan. "You're not my son, and you're not my grandson. You Don't have to be so filial and worry about me. Go back to where you came from!"

Some of the examinees who had already received the inheritance immediately burst into laughter. They were worried that they would not have any fun and wished that the two of them could fight.

Diao Shaoyan scolded angrily, "B * Tch! Who are you scolding?"

"I'm scolding my grandson! Why, do you have a problem with that?" Yun Chujiu was already a little angry since she could not receive the inheritance. Now that Diao Shaoyan was asking for a beating, she naturally would not be polite.

"You! You!" Diao Shaoyan was almost suffocated by the rebuke. If he continued to scold, wouldn't he admit that he was a grandson?

Diao Shaoyan's companion walked over and tugged at Diao Shaoyan. "Jing tie, it's already the eighth day and she hasn't received the inheritance yet. She will definitely be eliminated. Why do you have to lower yourself to the level of a good-for-nothing? !"

Diao Shaoyan had a way out and glared at Yun Chujiu. "B * Tch, I'm too lazy to waste my breath on you. Just wait to be eliminated!"

“HMPH! Isn’t it just an inheritance? What’s so great about it? I’ll be comprehending it soon too.”Yun chujju pouted.

Everyone felt that Yun Chujju was being stubborn. Although there were still two days left, the chances of her successfully comprehending it were too low. There was a high chance that she would be eliminated.

Jin Zhi and Mo fangbing were also very worried. Jin Zhi was really worried about Yun chujju. As for Mo fangbing, more than half of the reason was that she wanted to have a companion. Otherwise, she wouldn’t feel confident if she entered the Xingtian Academy.

Yun chujju comforted the two of them a few times before starting to meditate.

In the blink of an eye, it was already the tenth day. Xue Wuji was still receiving the inheritance, but Yun chujju, this wretched thing, still had no results. This time, even she herself didn’t feel confident. F * ck, could it be that she could only watch and wait to be eliminated?

This fellow really couldn’t sit still anymore. She stood up and walked forward for some distance. She was prepared to get closer to the Heavenly Dao Cliff. If she took a closer look, she might be able to gain something.

Needless to say, if she got closer, she would feel something different. It was as if she could feel the ancient aura on the Heavenly Dao Cliff. This fellow couldn't help but get closer and closer. She was only one step away from the cliff.

Yun chujiu was concentrating on her comprehension when she suddenly felt a huge suction force coming from the bottom of the cliff. Her body couldn't help but lean forward and she fell head first!

"Oh my God! Mo Fangcao jumped off the cliff to commit suicide!"

boxn ov el. c o m

"She must have jumped off the cliff because she couldn't comprehend the inheritance!"

..

Yun Chujiu, who had been falling, was so angry that she gritted her teeth. Damn it! You all just jumped off the cliff to commit suicide! I was framed! ! Framed! ! !

At this moment, everyone on the Heavenly Dao Cliff was in an uproar!

Especially Jin Zhi, who was going crazy!

“Little Jiu! Little Jiu!”

Jin Zhi shouted and was about to jump down, but was stopped by teacher Wen.

“This is the deep valley of Hell. You Can’t be Rash!”

“But what about little jiu?”? She fell down! She definitely didn’t commit suicide. She must have fallen down by accident. Teacher Wen, I beg you, please quickly think of a way to save little jiu!” Jin Zhi cried as she pleaded with teacher Wen.

Teacher Wen sighed. “How could I not want to save her? ! But this is the deep valley of Hell. Not to mention me, even the mighty ones from the immortal Yuan continent wouldn’t dare to go down. Going down would only lead to death!”

Seeing that teacher Wen and the other teachers had no intention of saving Yun Chujiu, Jin Zhi struggled to break free from teacher Wen and was about to jump down. In a moment of desperation, teacher Wen could only knock Jin Zhi unconscious with a slap and hand her over to Mo fangbing to take care of.
