

The Yun Family's Ninth Child is an Imp! Chapter 2215

Just as Xue Wuji and Jin Zhi thought that they were going to die, they heard someone shout from below, "Stab the stone wall with the sword to slow down the falling speed!"

The two of them didn't have time to think. They quickly followed the instructions of the person below and stabbed the stone wall with the sword, wanting to hang their bodies in the air.

Although they tried several times without success, they slowed down their falling speed. In the end, the two of them landed on top of a pile of sacks.

"TSK tsk, fortunately, I was quick-witted and remembered that there are dozens of sacks of talismans in my storage ring. Otherwise, the two of you would have been seriously injured even if you didn't die."

Although Xue Wuji and Jin Zhi slowed down their speed with their swords and fell on top of the pile of sacks, they still fell hard. It took them a while to recover. When they raised their heads, they saw that it wasn't Yun Chujiu who was speaking!

"Little Jiu, are you alright? That's Great!" Jin Zhi cried and laughed. It was great that Little Jiu wasn't dead!

Although Xue Wuji didn't say anything, his slender phoenix eyes were slightly red. It was obvious that he was very happy to see Yun Chujiu safe and sound.

Yun Chujiu's eyes were red as she scolded angrily, "Are you guys stupid? ! You know that jumping down means death. Why did you jump down? Don't you know that I'm a scourge that can't die? !"

Jin Zhi struggled to get up and hugged Yun Chujiu, "I don't care if you're a scourge or not, I can't Just Watch You Die!"

Yun Chujiu wiped her tears with her sleeve. Damn, this is too emotional. I, Yun Chujiu, didn't live in vain to have such a good friend!

After a long while, the three of them finally calmed down. Xue Wuji asked, "Little Sister Jiu, what's going on? Why did they say that you committed suicide?"

"Ptui!" Am I someone who would commit suicide? I was perfectly fine while I was meditating on the inheritance. Who would have thought that a huge force would attack me from below? I didn't even have time to react before I fell down. After I discovered that this place was forbidden from flying, I used the sticky silk and the treasured sword to slow down the speed of my descent. Only then did I manage to save my life.

I was just about to use the sticky silk to climb up when I unexpectedly saw the two of you idiots fall down. "I'm warning you, don't be stupid next time. Even a scourge like me, Tian Dao, can't kill me. I'll definitely be safe and sound."

“Although I’m very touched, I’ll say something that you don’t like to hear. If you jump down, you’ll become a burden to me. So, don’t be stupid next time! “Do you hear me?”

Yun chujiu knew that Xue Wuji and Jin Zhi would be unhappy if she said that. However, with her unlucky physique, she would encounter this situation many times in the future. She had to be ruthless and warn them, otherwise, these two idiots would be in danger again in the future.

Xue Wuji and Jin Zhi were reasonable people. They did not get angry after hearing Yun Chujiu’s words. They only nodded, indicating that they would be calmer next time and would not be impulsive.

“Little Sister Jiu, since you have the sticky wire in your hand, you can climb up first. Then, you can lower the rope to save us!”

Yun chujiu sighed. “I tried a few times just now and found that there was a liquid on the cliff wall. I don’t know what it is, but after the sticky wire got on the cliff wall, the stickiness was greatly reduced. I was afraid that I would fall down halfway, so this method didn’t work.”

Xue Wuji and Jin Zhi were stunned. When they fell down just now, they were so focused on saving their lives that they didn’t look carefully. They walked to the cliff wall and saw that the cliff wall was indeed covered with some kind of liquid. It was very slippery.
