

## The Yun Family's Ninth Child is an Imp! Chapter 2225

Jin Zhi didn't know if it was an illusion, but she felt that the stone wall on one side of the Heavenly Dao Cliff seemed to tremble. Just as Jin Zhi was about to speak, Yun chujiu winked at her.

Xue Wuji also secretly gave her a look, and Jin Zhi immediately followed suit, she echoed, "Little Jiu, what you said makes sense! The Xingtian Academy has always been known for upholding justice. When the time comes, they will definitely feel that the Tian Dao has tarnished the reputation of the Xingtian Academy and will definitely not care about its life or death."

Yun chujiu nodded, she said excitedly, "Beauty Jin Zhi, you are right! "When the time comes, before I blow it up, I will first make some dog blood or something. I will write the words 'Wang Baya' on it. When everyone has enjoyed it enough, I will blow it up! "After I blow it up, perhaps the Xingtian Academy will thank me for creating a large piece of flat land!"

"Little Sister Jiu, many people have died at the bottom of this valley. You can also make an announcement and let the descendants of those people come over. I think they will definitely scold this Heavenly Dao Cliff. It will definitely be fun when the time comes," Xue Wuji said with a wicked smile.

"Right! Brother Wuji, you are really too smart! That's what we will do when the time comes! Let's climb up now and publicize this matter to the public. So it turns out that the Heavenly Dao Cliff is a Wang Ba Ya that specializes in harming people!"

As Yun Chujiu said this, she gave Xue Wuji and Jin Zhi some sticky silk. She walked to the other side of the stone wall and was about to climb up.

At this moment, an angry voice came from within the Tian Dao Cliff. "No! You Can't do this!"

Yun Chujiu's eyes flickered. "Yo, who's farting? It stinks! It stinks!"

"You, you, you stinky girl that the Tian Dao won't tolerate! You're the one who's farting!" The voice was clearly even angrier.

Yun chujiu pursed her lips. "Tian Dao Ya, do you think that you are amazing just because you have the word 'Tian Dao' in your name? Even that old B \* Stard Tian Dao couldn't kill me, what kind of Big Clove do you think you are? !

Let me tell you clearly, if you don't satisfy me today, I will blow you into powder sooner or later! I will see if your master Tian Dao will save you when the time comes!"

"You, you..." Tian Dao cliff was obviously very angry. After a long time, he squeezed out a sentence, "No one will believe you. You're just making up a rumor! I'll explain!"

"AIYO, brains are a good thing, but it's a pity that you don't have one! Haven't you heard of a saying, 'the more you smear, the darker it gets'? Think about it, everyone originally thought that you were the profound Tian Dao cliff. They didn't expect that you could actually speak. This ability to speak meant that you already had intelligence.

Since you have intelligence, why didn't you warn everyone when you knew that there was a vicious demonic plant at the bottom of the valley? Why didn't you save everyone? Isn't it obvious that you are the accomplice of that demonic plant?"Yun chujiu curled her lips and said disdainfully.

"It's not like what you said! I, I can't do anything to that nine Yin Netherworld flower. Otherwise, I would definitely kill it!"Tian Dao Cliff explained anxiously.

"TSK TSK, what you said is quite innocent. Then, why didn't you stop those cultivators?"

"This, everything has its own destiny. I Can't reveal the secrets of the Heavens!"

"Pui!! You speak in a sanctimonious manner. In fact, aren't you afraid that your words will lose their mysteriousness and you won't be able to maintain the prestige of Your Heavenly Dao Cliff? You are a scumbag! Ah, no, you are a scumbag!"Yun chujiu cursed with her hands on her waist.

The Heavenly Dao Cliff was scolded so badly that it could not defend itself. The entire cliff trembled in anger as it denied everything.

"Alright, those people who died are not my relatives anyway. I Can't be bothered to settle the score with you. "However, you sucked me down and almost cost me my life. How should I settle this matter? "If

you can't satisfy me, Tsk Tsk, I have used a recording stone to record what I said just now. Tell me, what will everyone think if they hear it?"Yun Chujiu crossed her arms, she said with an evil smile.
