

The Yun Family's Ninth Child is an Imp! Chapter 2227

Yun chujiu looked at the time. It was already three in the morning, she blinked her eyes and said, "Brother Wuji, go and find teacher Pang. Tell him that after you and sister Jin Zhi jumped down, you discovered that I was at the bottom of the valley accepting the inheritance of the Heavenly Dao Cliff.

"Then, the Heavenly Dao Cliff felt that I was shocked, so they compensated me with another inheritance. This not only explains why we are safe and sound, but also proves that I passed the assessment that day."

Xue Wuji nodded and left the empty space to look for teacher Pang.

Yun chujiu then said to Tian Dao ya, "Hurry up, don't dawdle. Give me the inheritance!"

Tian Dao Ya agreed. After Yun chujiu meditated, he turned an inheritance into a white light and shot it into Yun Chujiu's glabella.

Before Yun Chujiu could finish receiving the inheritance, Tian Dao Ya also shot another inheritance into Yun Chujiu's glabella.

The Heavenly Dao Cliff had its own little scheme. It was just a small matter. They couldn't harm you in the open and just do it in the dark! If they were to give you two inheritances at once, would your spiritual sense be able to take it? ! It would be better if they were to explode this little brat's spiritual sense!

The more the Heavenly Dao Cliff thought about it, the more pleased it became. Even the cliff started to tremble slightly. It was already imagining Yun Chujiu rolling around on the ground in pain due to the intense pain of her spiritual sense!

However, nearly an hour had passed, and Yun Chujiu was still calmly receiving the inheritance. It did not look like her spiritual sense was in pain at all.

The Heaven Dao Cliff was so angry that it gritted its teeth. Receiving two heaven rank inheritances in one go and being fine, this was a freak!

It wanted to play dirty, but now that both inheritances had been received by Yun Chujiu, it had no other choice but to stare at her angrily.

While Yun Chujiu was accepting the inheritances, Xue Wuji had already arrived at the central area of the Xingtian Academy.

He was very puzzled. Along the way, apart from a few odd-job workers, he didn't meet any students or teachers. He could only find a odd-job worker and ask, "May I ask where teacher Pang is now?"

The odd-job worker looked at him strangely. "You are a student of the Xingtian Academy?"

Xue Wuji's heart skipped a beat. He nodded. "Yes, I was injured a few days ago. I was in a coma for a few days. Where did he go?"

"I see! Today is the official opening day of Xingtian Academy. Everyone is attending the opening ceremony at the Divine Axe Square. You should hurry over!" The handyman said enthusiastically.

Xue Wuji thanked the handyman and ran toward the Divine Axe Square.

The opening ceremony?

The timing was just right, which meant that the class had not started yet. There should still be time!

Xue Wuji could see that the divine axe square was densely packed with people from afar. It was likely that all the students would start their classes at this time.

On the high platform, an old man was chattering away. It was nothing more than a set of pleasantries.

When Xue Wuji was looking around, the instructors with profound cultivation in the square noticed him. They all looked at Xue Wuji with sharp eyes.

Teacher Pang and the others who were participating in the freshmen test were immediately stunned when they saw Xue Wuji!

Isn't this the Xue Wuji who jumped off the cliff? Why isn't he dead?

Teacher Pang and the others thought that they were hallucinating. They rubbed their eyes and looked closely. It was indeed that Xue Wuji!

Coincidentally, the opening ceremony was coming to an end. Teacher Pang said a few words to an elder beside him before hurriedly walking towards Xue Wuji.

"Xue Wuji, how did you come up from the depths of hell? How are Mo Fangcao and Jin Zhi?"Teacher Pang asked anxiously.
