

The Yun Family's Ninth Child is an Imp! Chapter 2231

Teacher Zeng from the day class and teacher Yu from the month class also left, leaving only Yun Chujiu, Jin Zhi, and teacher Dong.

Teacher Dong looked at Yun Chujiu and Jin Zhi with disdain, then smiled and said to Xue Wuji, "Xue Wuji, your talent is not bad. When the time comes, the face of our Star class will depend on You!"

Xue Wuji was extremely disgusted by his snobbish eyes. He said slightly coldly, "Teacher Dong, I will do my best."

Seeing Xue Wuji's cold attitude, teacher Dong was a little unhappy. This Xue Wuji was really not up to the mark. Did he really think that he was amazing? Although his aptitude was not bad, wasn't he still only at the first level of the Ling Xuan Realm? ! He didn't even see his spiritual power breakthrough after obtaining the heaven rank cultivation technique, so why was he showing off? !

When teacher Dong thought of this, his attitude turned cold. "It's good that you know. You can go to the school's general affairs office to collect your items. If you don't understand, ask the other students. I have a lot of things to do, so don't come and disturb me if you have nothing to do."

After teacher Dong finished speaking, he didn't care whether Yun Chujiu and the other two understood or not, and directly left!

“Pui! What the hell! Little Jiu, did we choose the wrong Xingtian Academy? The teachers in this academy are much worse than those in Tianyuan Academy. All of them are snobbish!” Jin Zhi said indignantly.

Yun chujiu was about to speak when she realized that the voice transmission talisman in her storage ring started to vibrate. An Feng slapped his thigh. Oh No, he forgot to inform an Feng and the pretty boy that she was out of danger.

Yun chujiu took a look and saw that it was indeed di beiming and an Feng who had sent her the voice transmission talisman.

Just as Yun Chujiu was about to reply, she noticed that Jin Zhi had also taken out a voice transmission talisman. Her face was still a little unnatural.

Yun chujiu immediately understood and said with a smile, “Beauty Jin Zhi, did the little madman send you the Voice Transmission Talisman?”

Jin Zhi’s face immediately turned red from the pain. She stammered, “He... He must have noticed that you didn’t reply, so he sent it to me.”

Yun chujiu covered her mouth. “Beauty Jin Zhi, do you know what it means to have no silver in this place? Aiya, a gentleman would like to meet a Lady! What’s there to be embarrassed about! You can chat with the little lunatic. I’ll have a few words with my gigolo.”

After Yun Chujiu finished speaking, she took out di Beiming's voice transmission talisman. As expected, di Beiming's anxious voice came from it. "Little Jiu, how are you? Wait for me. I'll be able to reach Xingtian Academy in five days at most."

Yun Chujiu took out the other voice transmission talismans. The general content was almost the same. They were all concerned about her safety.

"Prince Charming, I'm already fine!" "Black Rooster's head and Jin Zhi are also fine. Furthermore, I've obtained two heaven rank inheritances." "Didn't I tell you that I'll be fine? Don't worry about me next time!" "You don't have to come to Xingtian Academy either. Go and do your thing. Come and see me after you're done."

After a short while, the voice transmission talisman started to vibrate. Di beiming's hoarse voice came from within, "Although you said that you'll be fine, how can I not worry about you? ! Wait for me, I'll be there in two days."

"Don't! Don't! It's better for you not to come. Firstly, you have a lot of things to do. Secondly, the Heaven Punisher Academy isn't like the Mo family. It's heavily guarded and you won't be able to see me even if you come. It's better to wait for me to rest, you can come again!" Although Yun chujiu really wanted to see di beiming., but she still rejected him against her heart.

This fellow couldn't help but laugh at herself. She had always been the one who did whatever she wanted, but now she had learned to think for others, and she was even willing to do it.

This, was probably because of love!
