

## The Yun Family's Ninth Child is an Imp! Chapter 2232

Very soon, di Beiming's voice transmission talisman started to vibrate again. For some reason, Yun Chujiu's heart was beating very fast. She used her divine sense to probe into the voice transmission talisman. Di beiming's hoarse voice came from within:

"It's alright. A Xingtian Academy can't Stop Me. Wait for me."

Yun Chujiu's heart was beating even faster. Her face couldn't help but turn red. If di beiming didn't follow her words, she wouldn't be able to say anything either. However, she would definitely feel a little disappointed in her heart.

She didn't expect di beiming to insist on coming over to see her, and a hint of sweetness welled up in her heart.

At this time, this fellow fully understood one sentence, which was that he said he didn't want it, but in fact, he wanted it very much in his heart. To put it crudely, he just didn't mean it!

Xue Wuji saw that Yun Chujiu and Jin Zhi's faces were all red, and he couldn't help but feel a little sour in his heart.

They were all in pairs, and only this young master was alone. He did not know where that female pervert had gone to hide..

Pui! ! Why would I think of that female pervert? ! I must have not rested well these few days, so my brain is not working properly. It must be like this!

Although that female pervert was good-looking and had a special personality, so what? I just don't like her! Yes, I just don't like her!

After Yun Chujiu put away the voice transmission talisman, she saw Jin Zhi staring blankly with a blushing face while holding the voice transmission talisman. Strangely, Xue Wuji was also staring blankly with a blushing face.

"Hey! Brother Wuji, I'm sorry about the voice transmission talisman sent by Beauty Jin Zhi and an Feng. Why are you blushing? What did you think of?" Yun chujiu teased.

"Little Sister Jiu, what nonsense are you talking about? ! I, I was just thinking about how those snobbish teachers were angry just now. What else could I be thinking about? !" Xue Wuji defended himself.

Yun chujiu curled her lips. This was clearly a cover-up, so she didn't point it out, instead, she said to Jin Zhi, "Beauty Jin Zhi, didn't you just ask me if we chose the wrong Xingtian Academy? Let me tell you, it's endless fun to fight with others. Only with a stumbling block can we walk more steadily!

Moreover, I don't think the instructors here are all bad. I think that teacher Pang and teacher Wen are pretty good. As for Dean Gongsun and the other vice-principals, we'll have to wait and see.

Moreover, there's no need to leave a master here. There's a place for a master. At worst, we'll just drop out of school. Relax!

"TSK TSK, when I think of the scum I'll meet in the future, my blood is boiling! "They are all stepping stones on our way forward!"

Xue Wuji and Jin Zhi were not people who would stop. When they heard Yun Chujiu's words, they became excited. They felt that their days in the future would be extremely exciting.

Just as the three of them were wondering where the miscellaneous office was, a person walked over from afar. It was Mo fangbing.

Just now, when Xue Wuji went to look for teacher Pang, Mo Fangbing also saw him.

Although she felt that she had done the right thing, she still felt a little embarrassed. After hesitating for a long time, she finally mustered up the courage to come and look for Yun Chujiu and the other two.

Yun chujiu was very shrewd, so she naturally knew what Mo Fangbing was thinking, she warmly waved her hand at Mo fangbing. "Sister Fangbing! You came at the right time! We were worried that our eyes would be blinded! Quickly tell us what you know and bring us to the general affairs office."

Mo fangbing saw that Yun Chujiu said so and her attitude was so natural, so she relaxed a lot, her expression also became more natural. "The first grade is divided into three classes. The day class is the best, the month class is the second, and the Star class that we are in is the worst."
