

The Yun Family's Ninth Child is an Imp! Chapter 2234

Yun chujiu looked at the materials on the table. According to Mo fangbing, there was an identity jade token, two sets of Xingtian Academy's student uniforms, a copy of the Academy's rules, and a dormitory jade token among the materials.

Although the materials on the table were all the same, the student uniforms were covered in dust. The Academy's rules were rolled up, and although the dormitory jade token was good.., but the dormitory allocated to them was probably the worst.

"Teacher, can you change these clothes and the handbook for us?"Yun chujiu asked with a frown.

The long-faced teacher pouted. "Do you think beggars are rotten? If you don't want it, then don't! You guys are lucky to have been accepted, but now you're still picky. You're really overestimating yourself!"

"Teacher, I'll ask you again. Can you change?"Yun chujiu asked calmly.

"Are you F * cking deaf? ! If I say you can't change, then don't..."

The long-faced teacher's words came to an abrupt end and was replaced by his screams.

When everyone came to their senses, they saw that the long-faced teacher was pressed onto the table by Xue Wuji and Jin Zhi. Yun chujiu slapped him in the face, and even his back teeth were knocked away!

The teacher cried out like a pig being slaughtered and cried out for help.

The other teachers in the miscellaneous affairs department quickly came over to stop him. "Stop! What are you doing?!"

Yun chujiu then let Xue Wuji and Jin Zhi let go of the teacher. However, Yun chujiu poked the teacher a few times and immediately, the teacher cried out even louder.

"It hurts so much! It hurts so much! You three good-for-nothings, just you wait! You'll definitely be expelled! How dare you beat the teacher, you're really rebelling!" The teacher screamed as he cursed.

Yun chujiu sneered, "Do you think a snob like you is worthy of being a teacher? ! The moment we entered the door, you attacked US verbally and gave us unqualified admission materials I asked you to change, but you insulted US verbally. How dare you say that you're a teacher?" "? !"

When the teacher heard Yun Chujiu's words, he scolded her even more harshly, "You Little B * Tch! No matter what you say, it's the truth that you beat the teacher. Just wait to be expelled! Ouch, it hurts! Just you wait, I'll report this to the law enforcement office right now."

After the teacher finished speaking, he took out his identity jade token and told the teacher in charge of the law enforcement office about the incident.

“Just you wait, the law enforcement office will be here soon!”The long-faced teacher said viciously.

Yun chujiu suddenly jumped forward, she kicked the long-faced teacher fiercely again, “Alright! Since we’re going to be fired anyway, let’s beat him up to our heart’s content! Brother Wuji, don’t just stand there. Haven’t you always wanted to beat him up? Just give him a good beating and let him Live!”

Xue Wuji wouldn’t stand on ceremony. He gave the teacher a good beating. Jin Zhi didn’t stay idle either. She went up and scratched the teacher’s face.

The other teachers in the general affairs department wanted to stop her, but Yun Chujiu held a big kitchen knife and made some gestures. “Teachers, we have our grievances and debts. Don’t force me to kill him. If you come over, I’ll kill him!”

If those instructors were serious, they could subdue Yun Chujiu. However, that horse-faced man was not very popular, so no one was willing to take the risk. If they angered this little girl and really killed her., they would be covered in blood.

Therefore, when the instructors from the law enforcement department arrived, they could hear the screams of the horse-faced instructor from afar. It was worse than killing a pig.
