

The Yun Family's Ninth Child is an Imp! Chapter 2237

Just as teacher Liu was hesitating, he heard someone say, "That's right, you should be rewarded."

Yun chujiu saw the person and was delighted. This teacher Pang had come at the right time. If he hadn't come, he would have had to spend a lot of effort to convince teacher Liu.

Teacher Pang's position was obviously higher than teacher Liu's because when teacher Liu heard teacher Pang say this., he immediately said, "Alright, the three of you have indeed made a huge contribution to the academy. Each of you will be rewarded with 1,000 points. After deducting the 200 points for beating teacher Zhang, each of you will have 900 points left."

After Yun Chujiu and the other two happily thanked him, teacher Pang reprimanded the three of them again. It was nothing more than following the rules.

Teacher Zhang was so angry that he gritted his teeth. However, he seemed to be very afraid of teacher Pang, so he did not dare to raise any objections.

Although teacher Pang did not like teacher Zhang's actions, teacher Zhang was a member of the General Affairs Department, so he could not say anything. He took teacher Liu and the others and left.

After seeing teacher Liu and the others leave, Yun chujiu turned around and looked at teacher Zhang with a smile. "Teacher Zhang, can you change these clothes and manuals for us?"

Teacher Zhang wanted to strangle Yun Chujiu to death. He snorted and said, "I can't change them! I Don't care if you want them!"

"You can't change them? It's fine if you don't. Anyway, I have 900 points now. If I beat you up once a day, it would only be 200 points. I'll beat you up for four days straight! "If you don't feel satisfied, the two of them will beat you up for another eight days. Isn't this interesting?" Yun chujiu took out a large kitchen knife and rubbed it on the table.

"You, you, you dare? !" Teacher Zhang said with a stern expression, but he was actually cowardly.

Kacha!

Yun Chujiu chopped the table into two with a kitchen knife. Before the teachers from the miscellaneous affairs department could say anything., this guy said in a carefree manner, "Destroying the academy's property, according to the severity of the plot, deduct five to 100 points. This table can be counted as five points at most. You guys can deduct it. I have no objections."

The teachers in the general affairs department looked at each other. How was this a student? This was simply a female bandit!

Yun chujiu held the large kitchen knife and waved it in front of teacher Zhang. "How is it? Can we exchange or not?"

Although teacher Zhang wanted to kill Yun Chujiu, his injuries were not light. Moreover, Yun Chujiu still had nothing to fear. He could only clench his teeth and take out three sets of new admission materials and throw them on the other table.

Yun chujiu looked at them. This time, they were all new. She picked up the three dormitory tokens and said, "Give me three of the best dormitories. If you dare to be perfunctory with me, I'll come over tomorrow and Beat You Up! If you don't believe me, Let's try it!"

Teacher Zhang turned to look at the other teachers in the General Affairs Department. He wanted to ask for help, but those teachers acted as if they did not see him. What a joke! This Mo Fangcao was so cruel! What if he would rather spend two hundred points to beat them up? !

Although their spiritual power was higher than Yun Chujiu's and the others', those who were barefoot were not afraid of wearing shoes. If they were injured, it would not be worth it.

Seeing that no one came over to help, teacher Zhang was so angry that he gritted his teeth. He had no choice but to take out three dormitory jade tokens and threw them on the table. "These three dormitories are exclusive. You guys are lucky!"

Yun chujiu then handed the items to Xue Wuji and Jin Zhi with satisfaction. She said with a smile, "Teacher Zhang, if we don't fight, we won't get to know each other. I'll come to see you often in the future. See You Later!"

Teacher Zhang only felt his head buzzing with anger. His vision went black and he fainted again.
