

The Yun Family's Ninth Child is an Imp! Chapter 2243

Yun chujiu glanced at those people. With her abnormal memory, she recognized that these people were all freshmen of this year. They were probably in the same class as Zhu Jingtie.

Yun Chujiu looked at the three people behind Zhu Jingtie and said indifferently, "Seniors, what do you say?"

Diao Shaoyan curled his lips. "Do you not understand human language? Didn't you hear what my brother said? "The three of us brothers will take good care of these three courtyards. Hurry up and give them up!"! "Although fighting is prohibited in the academy, there are plenty of ways to kill you. You'd better be sensible."

Yun chujiu curled her lips and ignored Diao Shaoyan. Instead, she walked to the entrance of her own courtyard and took out a large kitchen knife, she said to the students blocking the entrance of the courtyard, "Do you want to get out of the way immediately, or do you want me to bleed you?"

The students were stunned for a moment before they burst into laughter. "Mo Fangcao, are you out of your mind? Don't tell me that you can't beat us. Fighting is prohibited in the academy. Do you want to be expelled?"

Yun chujiu glanced at them, she took out a thick stack of superior-grade burst talismans with her left hand. "Although I can't beat you, I can at least hurt the enemy by 1000 and damage myself by 800, right? Do you think that if these talismans explode, you will be seriously injured or I will be seriously injured?"

As for expulsion? Don't worry, I still have 900 points. If I beat you guys up, I'll only deduct 200 points at most! That's just a small amount of money! However, do you guys have 200 points to deduct?"

Those students were all dumbstruck. F * ck! ! Wasn't this black fragrant grass too savage? !

She actually planned to perish together? ! Was she crazy? ! Moreover, the talisman was in her hands. If she threw it out, she would definitely be the least injured!

What was worse was that she was right. If the incident happened and she was punished, they wouldn't be able to recover either. They didn't have 200 points for the law enforcement department to deduct. At that time, they would be expelled from school!

Although those students were Zhu Jingtie's lackeys, they weren't worth risking their own future just to please him. Thus, they all cowered and slowly gave up their courtyard gates.

Xue Wuji and Jin Zhi naturally followed suit, so those students could only give up their courtyard gate.

Zhu Jingtie was so angry that he jumped in front of Yun Chujiu. He pointed at Yun Chujiu's nose and scolded, "Damn girl, stop right there! Don't think that you're so great just because you have points! My brother and the others are not to be trifled with."

Hearing Zhu Jingtie's clamor, Yun Chujiu gave Xue Wuji and Jin Zhi a look. The three of them suddenly rushed forward and attacked Zhu Jingtie at the same time.

Zhu Jingtie was shouting arrogantly, but he did not expect Yun chujiu and the others to attack him at the slightest disagreement. Therefore, when he realized that things were not right and wanted to resist, Yun Chujiu's big kitchen knife was already placed on his neck.

Yun chujiu exerted force on Zhu Jingtie's neck, and a wound immediately appeared on Zhu Jingtie's neck. Fresh blood flowed out, and Zhu Jingtie cried out in pain.

Diao Shaoyan and the other two lackeys were all stunned!

They thought that Yun Chujiu was just saying it, but they didn't expect her to actually dare to attack him. She was too bold!

Zhu Jingtie was in pain and angry. He shouted at Diao Shaoyan, "Brother, save me! Brother, save me!"

Diao Shaoyan said viciously, "Release my brother immediately, or I will kill you!"

Yun chujia cut Zhu Jingtie's neck again. "I am not afraid of threats. Let's not talk about whether you can kill me or not. If you dare to make a move, you will be fired!"
