

The Yun Family's Ninth Child is an Imp! Chapter 2244

The reason why Yun Chujiu was so certain was because she had studied the rules of the academy. The reward points for each test were very limited, and the first place was only 100 points.

Although Diao Shaoyan and the other two had higher spiritual power levels than them, since they were able to let their underlings fight for the courtyard, their results would not be much better. Naturally, their points would not exceed 200 points.

Even if they could exceed 200 points, they would not be willing to be deducted just like that.

Sure enough, after Diao Shaoyan heard Yun Chujiu's words, he hesitated for a moment and said viciously, "Mo Fangcao, you win! You let my brother Go, and we don't want your courtyard anymore."

Yun Chujiu raised her eyebrows. "What you said is easy. If you want to forget it, we don't want to forget it!" "I'm in a very bad mood right now. I just want to beat up a few people to vent my anger. Anyway, it's only a matter of 200 points! "Do you want us to beat you up, or beat up your little brother? "Or do you want us to beat up those lackeys?"

Diao Shaoyan was so angry that his eyes were red. "Mo Fangcao, don't Push Your Luck! You're going to hang around Xingtian Academy in the future. If you don't want to lose your life for no reason, then quickly release him."

“TSK TSK, looks like you have chosen to let your younger brother get beaten up! Then, I will be more respectful!”

As Yun Chujiu said this, she had Xue Wuji and Jin Zhi restrain Zhu Jingtie. Then, she gave Zhu jingtie a slap. Finally, she kicked his lower back and sent him flying.

Diao Shaoyan wanted to save Zhu jingtie, but Xue Wuji held Yun Chujiu’s kitchen knife in his hand. He was afraid that Xue Wuji would really kill Zhu Jingtie, so he didn’t dare to make a move.

Diao Shaoyan jumped up and caught Zhu Jingtie. When he saw Zhu Jingtie’s face, which was beaten into a pig’s head, he was so angry that he gnashed his teeth. “Mo Fangcao, very good. Let’s wait and see!”

Yun chujiu curled the corner of her mouth and took the kitchen knife from Xue Wuji’s hand. She slashed at the tree next to her, and the tree immediately fell to the ground.

Yun chujiu held the kitchen knife, she glanced at Diao Shaoyan and those who were watching the show. “Although I don’t have a background and my spiritual power is low, I have nine hundred points. I’m not afraid of death! Damn it, whoever dares to provoke me in the future will end up like this tree!”

The students shrunk their necks silently. This Mo Fangcao was just like a female bandit! She was too cruel! Although her spiritual power was low, she didn’t deserve to lose points because of fighting with her! It was better to not provoke her in the future.

Diao Shaoyan cast a cold glance at Yun Chujiu, then helped Zhu Jingtie, who had been beaten into a pig's head, to leave.

Diao Shaoyan's two classmates also cast a sinister glance at Yun Chujiu and followed her.

As for those lackeys, they were afraid that Yun chujiu would look for them to settle the score, so they dispersed like a swarm of bees.

Seeing that there was nothing to see, the students also dispersed like birds and beasts. Their Hearts were burning with the flames of gossip, and they were ready to tell the others what they had seen.

Xue Wuji and Jin Zhi followed Yun chujiu into her courtyard. Jin Zhi asked in confusion, "Little Jiu, didn't you always pretend to be a pig to eat a tiger? Why are you so cruel in Xingtian Academy this time?"

Yun chujiu snorted coldly, "These people are either snobbish or bully the weak and fear the strong. If we are weak, they will definitely push their luck. Anyway, in the academy, they don't dare to do anything openly. If they play dirty, how can they beat me? I'll play them to death!"

Jin Zhi nodded. A word that Yun chujiu said flashed through her mind. It was dark! This guy was completely dark!
