

The Yun Family's Ninth Child is an Imp! Chapter 2248

After Yun Chujiu received the spirit stones, she put away the big kitchen knife, she smiled and said, "That's right! There is nothing that two hundred thousand spirit stones can not solve! If two hundred thousand is not enough, then two million. If two million is not enough, then twenty million. If you have the money, you are welcome to continue reporting me!"

Zhai Shanshan was so angry that she gritted her teeth, but she did not dare to say anything. She was afraid that Yun Chujiu would use the same trick again and threaten her with a big kitchen knife.

She was very puzzled. Her spiritual power was clearly at the fifth level of the Ling Xuan Realm. How could she be so easily restrained by this Mo Fangcao? She must have been careless and let her succeed.

Yun chujiu glanced at the people who went to report her, she said faintly, "All of you listen well! This time, Zhai Shanshan took the blame for you, so I spared you. If you provoke me again, Zhai Shanshan will be a lesson to all of you!"

Those people looked angry, but no one dared to say anything.

Yun chujiu saw that there was a spirit fruit tree next to her. She raised her hand and picked a few spirit fruits. "See? I picked spirit fruits again. Go and report it! Go, I'll wait for you here. I'll see who is so brave to report it."

Those people looked at each other. Damn it, this Mo Fangcao was too arrogant!

However, no one dared to move. What a joke. The report would result in a painless loss of points and cleaning the classroom. After coming out, this Mo Fangcao would extort 200,000 spirit stones from them. Only a fool would report it!

“Well, I remember that I still have something to do. I’m leaving!”

“Aiyo, my stomach suddenly hurts. I’m leaving too!”

“My stomach hurts too. I’m leaving too!”

..

In the end, only Xi Luoxia and Zhai Shanshan were left. Xi Luoxia walked up to Zhai Shanshan and pulled her away. “Shanshan, let’s Go Too!”

Zhai Shanshan glared at her, waved her hand, and left angrily.

Yun chujiu fanned herself with the large kitchen knife and said, “TSK TSK, a dog biting a dog’s fur. How Fun!”

Xi Luoxia gritted her teeth and chased after Zhai Shanshan.

When the surrounding students saw Yun chujiu walking towards them with the large kitchen knife, they immediately dispersed.

Yun chujiu turned to look at Jin Zhi and said doubtfully, “I just wanted to ask about the class schedule for the second Grade’s Day class. It’s convenient for us to clean the classroom. Why are they running?”

Jin Zhi touched her nose and thought to herself, is there anyone with a big kitchen knife who wants to ask about something? It would be strange if they didn’t run!

The three of them went straight to the classroom of the second Grade’s Day class. Coincidentally, there was a handyman cleaning the classroom.

Yun chujiu went forward to ask about the class schedule. The learning tasks of the second grade were obviously more important than those of the first grade. Therefore, apart from the morning, there was also a class schedule in the afternoon. However, it would basically be finished before Yin Shi.

The handyman had already received the notice from the handyman's office, so he handed the jade token to Yun Chujiu. After saying some things to take note of, he prepared to leave.

Yun chujiu stopped him with a smile. "Wait, let's talk about a deal, okay?"

The handyman was stunned. "Deal? What Deal?"

"If you can arrange the time, we'll hire you to continue cleaning this classroom. We'll give you a thousand high-grade spirit stones a day, how about that?"

"Really? There's no problem with the time. Even if I don't have time in the afternoon, I can still come over to clean this classroom in the evening. After all, this classroom will only be used the next morning." The handyman was both surprised and delighted, his monthly salary was only fifty thousand high-grade spirit stones. It was great that he had an additional income.
