

The Yun Family's Ninth Child is an Imp! Chapter 2249

"Of course it's true. Here, this 5,000 upper-grade spirit stones is the deposit!" Yun Chujiu straightforwardly transferred the 5,000 upper-grade spirit stones to the handyman.

The handyman smiled so widely that he couldn't close his mouth. He repeatedly promised that he would clean it well.

After leaving the classroom of the second Grade's Day Class, Jin Zhi said somewhat uneasily, "Little Jiu, will this work? If it's discovered, the law enforcement department will definitely not let it go."

"In the future, we can just pretend. I want to see who still dares to report us. It's just the right time to spend some money. Let's go, it's almost time for dinner. I'll treat you to some delicious food!" Yun Chujiu's eyes flashed, it was endless fun to fight with others!

Xue Wuji and Jin Zhi naturally did not want to clean up the BULLSH * T hygiene. They had the time to cultivate, alright? ! Therefore, they threw their worries to the back of their minds. Moreover, even if they were discovered, they could just clean up the classroom for a period of time. It didn't matter!

The three of them swaggered into the dining hall. It was dinnertime, so the dining hall was bustling with people.

When they saw Yun Chujiu and the other two enter, many people's eyes focused on the three of them. They couldn't help but have another discussion.

"Do you see that? It's those three people, especially that Mo Fangcao in the middle. She's simply a female bandit! Yesterday, she beat up long face Zhang, and today, she beat up a freshman. I heard that she even bled!"!

"That's not all. In the afternoon, she even stole the spirit fruit from the academy and reported that the female student was extorted 200,000 spirit stones from her!"

"Are you serious? That black fragrant grass is only at the first layer of the Ling Xuan realm. Does she have the guts to do that? Does her family have a strong background?"

"I heard that she is just a distant descendant of a third-grade family. She is relying on her 900 points and her fearless attitude. I think that she will hit the wall sooner or later!"

..

Yun chujiu turned a deaf ear to everyone's discussion. She ordered a large table full of dishes and enjoyed the meal.

She had already figured it out. Although the students in Xingtian Academy weren't as high-born as those in the WA stone academy, they were all young ladies' bodies and maidservants' lives. They were all people who trampled on and flattered others. If they weren't a little more powerful., they would definitely be bullied to death.

Moreover, in this academy, no one dared to openly take her life. As for those who played dirty, was it still the same sentence? They wanted to play dirty with someone who had full black lotus skills? They were courting death!

Yun Chujiu ate with satisfaction. As usual, she packed a lot of food before strolling out of the dining hall with Jin Zhi and the others.

After returning to the courtyard, this fellow was a little excited because di beiming had said that he would come to visit her tonight.

Yun chujiu sat cross-legged on the bed to cultivate, but she had no way to calm down. She took out her speech book and flipped through it, but she also felt that it was meaningless.

This fellow never dreamed that one day, she would be so distracted by a man that she couldn't even continue reading her favorite speech book.

This fellow patted his own face. It's over, it's over, he's been poisoned by the Pretty Boy! When he saw him at night, he would definitely torture him.

This fellow waited with his fingers, and finally, di beiming arrived in the middle of the night.

Di beiming wanted to enter as soon as possible, but the security of the Xingtian Academy was much tighter than that of the Mo family. Even if his spiritual power was high, he didn't dare to be careless.

When Yun Chujiu saw di beiming, she pounced on him without saying a word!

Di beiming was really shocked by Yun Chujiu's fierceness, but he quickly turned the tables and pinned a certain pervert on the bed for a good beating.
