

The Yun Family's Ninth Child is an Imp! Chapter 225

The next day, Yun Chujiu freshed up swiftly and went to the big kitchen.

Everyone had not seen Yun Chujiu for a long time and greeted her warmly one by one. Yun Chujiu started chatting with everyone with a smile on her face.

Everyone's words were filled with dissatisfaction toward the guests from Heavenly Gates Sect. However, as they were guests, and one from the four great sects too, they naturally did not dare to offend them and could only swallow their anger.

Yun Chujiu only listened with a smile and did not speak.

Soon, breakfast was ready.

Some servants and outer sect disciples came to eat breakfast. The dining hall was exceptionally lively.

At that moment, a male voice shouted, "Hey! Get the two junior sisters from yesterday come with us. Our elder said that the food yesterday was not bad and wants to reward you."

A male disciple with a hooked nose stood beside the male with a duck-like voice. He was also wearing Heavenly Gates Sect's outer disciple uniform. He smiled wretchedly at the side and said, "That's right! Our elder is generous. Hurry up and get the two junior sisters come with us!"

Elder Huang frowned and then squeezed out a smile to welcome them. "Senior Brothers, I'm the manager of Middle Peak's big kitchen. I'll go with you!"

"You? Our elder specifically asked for those two junior sisters to go! Is this how Spirit Radiance Sect treats their guests? You really don't have us in your eyes! Good! Since we can't invite them, we'll bid farewell to your sect master!" the male duck voice said arrogantly.

The people dining and servants in the big kitchen were all furious. The guests from Heavenly Gates Sect was too arrogant! 'This is Spirit Radiance Sect's territory and they actually dared to act so arrogantly. They really deserve to be beaten up!'

However, they were using their sect's name as protection, and they were also guests. If they really offended him, the higher-ups would probably blame them.

Therefore, although everyone was dissatisfied, no one made a sound.

Elder Huang laughed dryly. "It's really unfortunate that those two female servants are off duty today and didn't come to work. It's better for me to go!"

"Don't you f*cking understand human language? What are you, an old tree bark, going to do? Do our elders need to see your old face? Cut the crap and quickly find those two junior sisters! Otherwise, I'll throw away these meals right now! I'll say that you've neglected your guests from the Heavenly Gates Sect!" the male with a duck-like voice cursed.

"F*ck off if you're not going to eat! You're actually putting on an act in our Spirit Radiance Sect! Do you think you're great just because you act all mighty?!" Yun Chujiu poured a basin of swill directly onto the male with the duck-like voice and the hawk-nosed man.

The man with the duck's voice and the hawk-nosed man were stunned at first. Obviously, they were not used to Yun Chujiu's way of attacking people at the slightest disagreement. Then, they flew into a rage. "Where did this stupid girl come from?! You're simply courting death!"

"My surname is Great, and my name is Aunt! If you have the ability, you can scold me!" Yun Chujiu threw the basin on the ground. She was as arrogant as she could be.

"Okay, Great Aunt! I won't let you off today!" After the guy with a duck voice was done speaking, he knew that he had been tricked.

Yun Chujiu giggled. "Sigh. Son, you still dare to disobey me even though you know that I'm your great aunt. How unfilial!"

"Stinky Girl, you took advantage of me! I'll slap you to death!" The male duck voice rushed toward Yun Chujiu.

Yun Chujiu jumped into the dining crowd. "Senior Brothers and Sisters, what are you still looking at? Beat him up for me! If there's anything, just blame it on me! Don't tell me you're just going to let these two stupid pigs run around in our Spirit Radiance Sect's territory?!"

The people of Spirit Radiance Sect had been holding back their anger for a long time, but they were afraid that the higher-ups would blame them, so they did not dare make a move. Now that they heard Yun Chujiu's words, the crowd immediately became excited.

"That's right! What's the point of Heavenly Gates Sect sending so many people here?! They're always pretending to be weak! Beat him up!"

"Beat them to death! I've been displeased with them for a long time!"

"That's right! Pretentious bastard! Beat him up!"
