

The Yun Family's Ninth Child is an Imp! Chapter 2250

A certain perverted nine quickly changed from taking the initiative to being passive. Her mouth was red from being kissed, and water seemed to be dripping out of her eyes. It provoked Di Beiming so much that he wanted to tear the person in front of him into pieces and eat him.

A certain grass in a certain perverted nine's Dantian curled up all the leaves together. It knew that the intermittent storm was coming again!

It could already feel a certain someone's deep resentment. Heavens, Earth, heaven and earth, it didn't want to do that, alright? This was fate! It was all a trick of fate, it was all fate's arrangement..

A certain perverted nine was kissed until it was in a daze. As expected, it cursed a certain grass dozens of times before it said, "Prince Charming, didn't I say that I won't Let You Come? Why are you still here?"

Di Beiming silently chanted the clear heart mantra a few times before he suppressed the desire in his heart. He said in a hoarse voice, "I don't trust you. I have to see you safe and sound with my own eyes."

A certain pervert's heart was soft. Although a gigolo was arrogant, he was a warm man to this fairy. Indeed, all men needed to be taught.

This guy was secretly proud for a while before he finally realized and asked, "Male god, what happened to your voice? When you sent me the voice transmission talisman earlier, it was a little hoarse."

"Nothing, I was just worried about you. It's much better now." Di beiming said casually and reached out to touch Yun Chujiu's hair.

Yun Chujiu's thick-skinned face turned red. Is this gigolo playing with me?

Di beiming saw that Yun Chujiu's face was slightly red, which made her look even cuter. The desire that he suppressed with great difficulty resurfaced again.

He could only look away and said dryly, "Tell me what happened. What exactly happened?"

Yun Chujiu told him everything, then, she said proudly, "Prince Charming, although I always encounter strange things with my freakish physique, I will be fine. Don't worry about me next time! If you get sick in a hurry, my heart will ache."

Di Beiming's heart was provoked by this sentence of heartache. It was rare for a certain someone to swear, so he cursed guai Cao in his heart a few hundred times!

A certain someone couldn't hold it in anymore. He hugged a certain pervert and made love to her again until the two of them were almost out of breath. Only then did he end this suffocating kiss.

When a certain pervert saw that the veins on di beiming's forehead were popping up, she really couldn't bear it, with a red face, she said, "How about... how about we just cook it? It shouldn't be a problem, right?"

Although di beiming wanted to tear her apart and eat her right away, he still said against his heart, "It's fine. Just Bear with it for a while and it'll pass! Your Health is more important. There's still time in the future. There's no rush."

She thought it made sense. If a monk didn't have sex in his entire life, wouldn't he be living well? If he could bear with it, then so be it. It would be bad if it affected the birth of a monkey.

A certain Jiu didn't know that his momentary disobedience had created a difficult life in the future. A few years later, when a certain Jiu was unsatisfied and wanted to have sex, a certain jiu, who was playing with her son, boasted shamelessly, "Just endure it for a while and get lost!"

1

Of course, this was something for later. Since they couldn't have sex, the two of them started talking about serious matters.

“Little Jiu, you’ve offended a lot of people in just two days of school. You must be extremely careful in the future. How about I help you kill that Diao Shaoyan?” A certain Jiu’s solution to the problem was simple and crude, if you wanted to touch his woman, just kill her.
