

The Yun Family's Ninth Child is an Imp! Chapter 2253

On one hand, Yun Chujiu was reluctant to let di beiming leave. On the other hand, she felt sorry for di beiming as he fought alone. Not only was she unable to help him, but she was also a burden to him. How useless!

This fellow cried for a while and wiped his tears. He had to become stronger as soon as possible. He had to become stronger as soon as possible!

He only fell asleep in a daze when the sky was about to brighten.

Just as she was sleeping soundly, the sound of Jin Zhi knocking on the door could be heard from outside the courtyard. "Little Jiu, let's go. If we don't leave now, we'll be late for Class!"

Yun chujiu had no choice but to get up, wash up randomly, and come out with a meat bun in her mouth.

When Jin Zhi saw that Yun Chujiu's eyes were red and swollen, she could not help but ask worriedly, "Little Jiu, what happened to your eyes? What happened? Ah, your lips!"

Yun chujiu turned around after realizing what had happened. She took out a mirror and looked into it. Her eyes were red and her lips were slightly red and swollen. Her face was immediately on fire.

She was stunned for a moment. Then, she took out a veil and covered her face. Although her eyes were red and swollen, it was still better than letting others see her swollen lips.

Jin Zhi rolled her eyes and guessed it. She couldn't help but cover her mouth and laugh, "Little Jiu, could it be that someone came last night?"

Yun Chujiu's thick face became even redder, "Humph! Don't laugh at me. The Little Madman will be away with the gigolo for a while. When that time comes, you won't be able to see him."

Jin Zhi blushed and stamped her feet, "I was kind enough to care about you, but you teased me and ignored you!"

The two of them were laughing and joking around, xue Wuji came out of the yard yawning. "What are you guys doing so early in the morning? Little Sister Jiu, why are you wearing a veil? What's wrong with your eyes? which reckless person provoked you?"

Yun chujiu laughed dryly. "Brother Wuji, you're thinking too much. I just read a story book last night and couldn't help crying when I saw the sad part."

"Then why are you wearing a veil?" Xue Wuji frowned and asked suspiciously.

“Brother Wuji, why do you have so many reasons? ! What Time Is it now? Let’s hurry to the classroom!” Yun chujiu quickly changed the topic. In her heart, she blamed a certain someone who did not know how to take care of a beautiful woman. How Annoying!

Xue Wuji rubbed his nose. Seeing that Yun Chujiu was not willing to say anything, he had no choice but to give up.

The three of them quickly arrived at the first grade’s Star class classroom. Perhaps it was because Yun chujiu had taught Zhai Shanshan a lesson yesterday, the Star class students were much more obedient.

Although many people were very curious when they saw Yun Chujiu’s red and swollen eyes and the veil that she was wearing, no one dared to discuss it.

After Yun Chujiu sat down, she took out a swelling-reducing pill and secretly rubbed it on her lips. It was estimated that the swelling would disappear in a short while.

After teacher Dong entered, his gaze fell on Yun chujiu and he frowned, with an unfriendly expression, he said, “Mo fangcao, how is it proper for you to wear a veil in class? ! Hurry up and take it off. Otherwise, you won’t be attending this class!”

Yun Chujiu's heart was originally seething with anger because of di Beiming's departure. She immediately stood up and said coldly, "Teacher Dong, which rule in the Academy's rules doesn't allow students to wear a veil in class?"

Teacher Dong was even more displeased when he saw that Yun chujiu actually dared to contradict him, he slammed the table. "Regardless of whether the academy's rules have rules or not, I have the final say in this spiritual energy class! Are you going to take off your veil or go out? You Trash, you still dare to contradict the teacher? How Outrageous!"
