

The Yun Family's Ninth Child is an Imp! Chapter 2254

Yun Chujiu kicked the table over. "If you don't want to go, then don't go. What's so great about it!"

After Yun Chujiu finished speaking, she walked out of the classroom with ease.

Teacher Dong was so angry that he almost fainted. He pointed at Yun Chujiu's back and didn't know what to scold.

Xue Wuji and Jin Zhi originally wanted to follow her out, but when they received Yun Chujiu's glance at them, the two of them didn't move.

Jin Zhi secretly opened the recording stone and recorded the content of the class. When they went back, they could play it for little jiu to listen to. In this way, it did not matter if they did not attend the class.

When teacher Dong recovered from his shock, he naturally belittled Yun Chujiu. She had no manners, did not respect her teacher, did not have a future, and was a good-for-nothing.

Xue Wuji clenched his fists so tightly that they made cracking sounds. If it was not for Jin Zhi giving him a look, this fellow would probably have kicked the table and left.

After teacher Dong scolded him for a long time, the class finally began.

After Yun Chujiu left the classroom, she was very annoyed and directly went to the Heavenly Dao Cliff.

Since everyone could only accept the inheritance once, the Heavenly Dao cliff was usually very deserted and almost no one would come.

Yun chujiu sat on the ground and was unhappy. She picked up the pebbles on the ground and threw them onto the Heavenly Dao Cliff.

The Heavenly Dao Cliff was about to cry. What was this little pervert doing here? Besides, if you came, so be it. Why did you hit it with pebbles?

“Ahem, little girl, What’s Wrong With You?”The Heavenly Dao Cliff felt a little awkward, so he asked.

“None of your business! You son of a B * Tch!”Yun Chujiu said in a bad mood.

The Heavenly Dao Cliff was so angry that he almost passed out. She was clearly being kind, okay? You will lose your friends if you do this!

Yun chujiu obviously felt that she was venting her anger. She said in a muffled voice, "I feel that I am very useless. I am a waste! Every time I break through, there must be heavenly lightning descending. It has been a long time since I broke through."

Tiandao ya asked timidly, "Then when was the last time you broke through?"

"It has been almost four months! Why didn't the Damn Heavenly Lightning Strike Me? Could it be that the heavenly lightning in the eastern continent is stupid? F * ck! It is simply a vegetable lightning!" Yun Chujiu said angrily.

The Heavenly Dao Cliff decided to wait for a while. They hadn't broken through for four months, and now they were anxious? Many people only broke through after several years, okay? This little pervert was really eager to succeed!

Yun chujiu muttered for a while. Seeing that the Heavenly Dao cliff didn't pay attention to her, she threw a handful of stones at it angrily. "Tell me, why didn't the Heavenly Lightning Strike Me?"

The Heavenly Dao Cliff felt that this little pervert in front of him was probably the only one in the world who would ask such a question. Wasn't he crazy? He actually wanted the heavenly lightning to strike her! However, this guy was a pervert and could not be reasoned with.

"I guess, I guess it's not the time yet! Isn't there a good saying, 'it's not the time yet'?"

After saying that, the Heavenly Dao Cliff regretted it. It was over. He had said it without saying anything!

Sure enough, Yun Chujiu angrily took out a raw egg and threw it at the Heavenly Dao Cliff. "You're the one who's going to suffer retribution! You Bastard Cliff!"

Tian Dao cliff felt that it might have a masochistic constitution. Logically speaking, this little pervert had bullied it so much, so it should have ignored her, however, it could not help but say slyly, "Little girl, everything is about luck. You Can't force it."

Yun chujiu suddenly stood up from the ground, and Tian Dao cliff was shocked, yun chujiu said firmly, "I never believe in some Bullsh * t fate. My fate is in my hands, not the heavens. Even Tian Dao old bastard can forget about playing with my life!"
