

## The Yun Family's Ninth Child is an Imp! Chapter 2257

Just as Heavenly Dao cliff was cursing in his heart, he heard an arrogant voice say, "TSK TSK, if you have the ability, why don't you strike again? This little bit of heavenly lightning isn't enough for me to stuff the gaps between my teeth!"

Heavenly Dao Cliff was shocked. Not only was the ugly bird not struck to death, it seemed to have become even more lively. Heavens, what exactly was this ugly bird?

Wu Yun in the sky was also caught unprepared. This ugly bird actually didn't die?

When it heard Xiao Heiniao's provocation, it naturally flew into a rage. One after another, heavenly lightning struck down again.

Xiao Heiniao rolled his pea-sized eyes. "Xiao Mogu, this time you can cut it off! In the future, don't say that I won't protect you, Boss!"

Xiao Mogu thought, pui! ! Well said, I'm afraid you've eaten your fill? !

Although Xiao Mogu was cursing in its heart, when the lightning descended, its mycelium still managed to stop the Lightning.

The Heavenly Dao Cliff was already dumbfounded!

F \* ck!

Not only was that ugly bird a pervert, but this Xiao Mogu was also a pervert? Could it be that the smelly girl was planning to let these two spiritual pets help her share the lightning?

That must be the case!

However, from the looks of it, the ugly bird seemed to have reached its limit. The Heavenly Lightning had just begun, so she must have made a wrong calculation.

Wu Yun struck out dozens of heavenly lightning bolts in one go. Most of them were intercepted by Xiao Mogu, and only a small portion of Xiao Heiniaoy was devoured.

Wu Yun was furious when he saw that Xiao Mogu and Xiao Heiniaoy were safe and sound.

He thought about it and decided to forget about it. After all, his target this time was the little girl with the heavenly lightning spiritual root. He would just have to kill her and ignore these two perverts!

Wu Yun thought about it and adjusted his direction. Dozens of heavenly lightning bolts struck Yun chujiu.

boxn ov el. c o m

The Heavenly Dao Cliff took a deep breath. It was over. It was over. Dozens of heavenly lightning bolts struck at once. The little girl was going to die!

However, after this wave of heavenly lightning, it took a look and saw that the little girl was fine, she was doing the thought work for the two little perverts. "Xiao Hei, Xiao Mogu, you guys have almost absorbed enough. Don't intercept master's Heavenly Lightning!"

"Master, this heavenly lightning hasn't been opened for three years. It has been open for three years. We have to be full, right?" Xiao Heiniaio burped as he said. He felt that he could still swallow more than ten heavenly lightning bolts.

Xiao Mogu rubbed the mycelium on Yun chujiu's body with a coquettish look. Obviously, it had not absorbed enough thunder.

Yun chujiu spread her hands. "Alright! Alright! I'll let you guys do it first. There are not many kind-hearted masters like me!"

..

The Heavenly Dao Cliff had an illusion that the three perverts were talking about something delicious and not the Thunder that could kill people.

The dark clouds in the sky were twitching. Wu Yun didn't care about the gradual process anymore. Right now, he only had one thought, and that was to kill the three perverts on the ground, not leaving a single one alive!

Boom! Boom!

The earth-shaking thunder changed the entire Tian Luo City. Even the area within a radius of several hundred Li was covered by the loud thunder. Bai Li's voice was extremely loud.

Almost everyone's hearts were filled with fear and unease. What exactly was the reason for attracting such a huge amount of heavenly lightning? Could it be that some demonic beast or evil cultivator that the heavenly dao couldn't tolerate had appeared?

Dean Gongsun and the others from the Heaven Punisher Academy were even more worried. This heavenly lightning was clearly aimed at the depths of hell. Just what could have attracted so much heavenly lightning? If it could kill them, that would be for the best. But if it couldn't kill them, if that thing came out, it would probably be a disaster for everyone!

An hour passed, an hour passed, four hours passed..
