

The Yun Family's Ninth Child is an Imp! Chapter 2258

After six hours, other than a few more deep pits, there was nothing unusual.

Yun Chujiu was still happily devouring the Lightning. Xiao Heiniaoy and Xiao Mogu had already eaten their fill, so Yun Chujiu put them into the Spirit Beast Bag.

Heavenly Dao Cliff was dumbfounded!

Oh God! What kind of monster was this!

The Heavenly Lightning had struck for six hours and she was still alive? It turned out that this little girl was not bluffing when she said that the heavenly lightning could not kill her. She was indeed a pervert!

Wu Yun in the sky was about to go crazy from anger. After striking for six hours, he still could not kill the little girl below. If this news were to spread, he would not be able to survive in the Dark Cloud World Anymore! He had to work harder. He had to kill her today!

In the blink of an eye, another two hours had passed. Yun Chujiu's expression became serious. She felt that she was about to reach her limit.

The Heavenly Lightning in the eastern continent was obviously more powerful than the heavenly lightning in the western continent. Even though the three malefic stars in her body were constantly devouring the power of the Lightning, the endurance of her meridians was limited. At this moment, she was already feeling a little uncomfortable.

Yun chujiu raised her head to take a look. The dark clouds in the sky seemed to still have quite a bit of the power of the Lightning. What should she do? Could it be that she was really going to be struck to death by the Heavenly Lightning?

The dark clouds in the sky seemed to have also noticed Yun Chujiu's strange behavior. Their hearts were filled with joy, and the heavenly lightning struck down even more fiercely.

Xiao Heiniaoy and Xiao Mogu were clamoring in the spirit beast pouch to come out and help Yun chujiu share the burden. Yun chujiu knew that they had already absorbed to their limits, and the result of them coming out was that they would most likely explode and die, so she did not agree.

Yun chujiu could not help but smile bitterly. It was really ironic. Previously, they were still competing to devour the Heavenly Lightning, but now, they could not wait for Wu Yun to get lost.

The Heavenly Dao cliff also noticed that Yun chujiu could not take it anymore and could not help but sigh. This little girl was still too arrogant. If she was up there, perhaps the people from the Heaven Punisher Academy would be able to help her withstand a few heavenly lightning bolts, there was no one at the bottom of the valley who could help her. She was just waiting to be hacked into ashes!

The Heavenly Dao Cliff was still feeling conflicted. On one hand, it felt that it was quite satisfying. After all, Yun Chujiu had extorted two of its inheritances and even called it Wang Baya.

On the other hand, it felt that it was a pity for this little pervert to die just like that. After all, it was rare for someone to be able to withstand six hours of lightning!

Just as the Heavenly Dao Cliff was thinking about it, it saw Yun Chujiu suddenly raise her head and smile at it. For some reason, the Heavenly Dao Cliff had an ominous feeling in its heart.

“Little Tian Tian, we can be considered old friends. You Can’t just stand by and watch me die, right? I’ll hide in the cave ahead. If you’re affected, help me withstand the lightning for a while!”

As Yun Chujiu said that, she ran forward. In a short while, she entered the cave where the Netherworld Flower of nine Yin was hiding.

Tian Dao Ya was stunned at first, then he was so angry that he started to curse!

“Stupid girl! Get Out Here! You are trying to frame me! You have lost your virtue for eight lifetimes! How can I know such a disaster like you!”

Yun Chujiu's smiling voice came from the cave. "You are wrong. You should have accumulated your virtue for eight lifetimes. This is your opportunity! Little Tian Tian!"

Tian Dao was so angry that he almost fainted. This sinister and cunning little girl was really too mean! If she was at the bottom of the valley, he could still get her to the top of the cliff. But now that she was in the cave, he could not even get her up.

The dark clouds in the sky did not care about the relationship between the two of them. They were already red-eyed from the lightning strikes. They shot several bolts of lightning at the cave where Yun Chujiu was staying.
