

The Yun Family's Ninth Child is an Imp! Chapter 2259

The Heavenly Lightning was extremely powerful, causing the rocks on the cliff walls to fall down one after another.

However, Yun Chujiu was in the cave. Even though a portion of the Lightning had entered the cave, its power had been greatly reduced. To Yun Chujiu, it was a piece of cake.

This fellow now had the mood to relax, naturally, his mouth was not honest. "Little Tian Tian, this is still the Heavenly Dao cliff after all. The dark clouds above did not even greet you before they struck you. This means that they don't take you seriously at all! Are you really going to endure it like this?"

"Little Tian Tian, I thought you were pretty awesome. I didn't expect you to be so mediocre!"! Being frightened to such an extent by a piece of Wang Ba Yun, Tsk Tsk, I think you're not as powerful as me. At the very least, I can still withstand the heavenly lightning for six hours. It Can't be that you can't withstand it for two hours, right?"

"Little Tian Tian, this soldier can be killed but not humiliated. This Wu Yun clearly doesn't take you seriously! In the future, don't call yourself the Heavenly Dao Cliff. I think you should just call yourself the dregs cliff. You're too cowardly!"

"Little Tian Tian, do you know why Wu Yun is so arrogant? It is bullying you that you can not move! It is looking down on you!"

..

Heavenly Dao cliff was already filled with anger after being framed by Yun Chujiu. Now that Yun Chujiu urged it, it turned its anger onto Wu Yun.

That's right. It was not it who took the initiative to hide and protect that wretched girl. It was she who ran in on her own. Wu Yun attacked it without any reason. It was really bullying the cliff!

Coincidentally, at this moment, several bolts of lightning struck down. The top of the Tian Dao cliff suddenly emitted ten thousand golden lights, blocking all the heavenly lightning.

Yun chujiu secretly peeked out a small head. When she saw the situation in the sky, she couldn't help but secretly laugh. This Tian Dao was really interesting. In the future, she would bully it less!

This fellow was happy. Wu Yun was almost out of breath!

Although he was conscious, he didn't know how to speak. Otherwise, he would definitely scold the Tian Dao Cliff. Is there something wrong with your brain? You are the "Tian Dao" cliff. Why are you still helping that smelly girl to block the Heavenly Thunder?

Wu Yun was extremely angry, but the people from the Heaven Punisher Academy were all dumbstruck!

Heavens, what, what was going on?

Why was the Heaven Dao Cliff still fighting against the heavenly lightning? Could it be that the Heaven Dao Cliff was the one that the Heaven Dao couldn't tolerate? This was impossible!

Dean Gongsun pondered for a moment and guessed, "Do you guys think that the Heaven Dao Cliff has gained sentience and is transcending the Tribulation?"

"Eh? Dean, what you said makes sense! No wonder the heavenly lightning is so powerful. It turns out that the Heaven Dao Cliff has gained sentience."

"That's right, I agree with principal. If the Heavenly Dao cliff gained sentience, it would be a joyous occasion for our Xingtian Academy!"

..

If the Heavenly Dao Cliff knew that all the blame was placed on its head, it would probably be furious. It was clearly just a bystander, alright?

Why did it become the main culprit after being struck by the Heavenly Thunder?

Wu Yun hated the Heavenly Dao cliff even more than Yun chujiu because it felt that the Heavenly Dao Cliff was a shameless traitor!

It was fine if it did not help to take care of that stinky girl, but it actually helped that stinky girl to fight against it. It was really detestable!

Therefore, Wu Yun simply ignored Yun chujiu and hacked at the Heavenly Dao Cliff!

The Temper of the cliff of the Tian Dao also rose up. He thought to himself, are you that awesome just because you're floating in the Sky? ! No matter what, I'm still a cliff of the "Tian Dao". You really don't put me in your eyes! Today, let's see who is more powerful!
