

The Yun Family's Ninth Child is an Imp! Chapter 2260

The Heavenly Dao Cliff had accumulated for hundreds of thousands of years, or even millions of years. It was even more powerful than an ordinary divine weapon. If they were to really compete, how could a few lightning bolts be its match? !

The last time Yun chujiu succeeded in extorting him, it was only because the Heavenly Dao cliff was not involved in worldly affairs and was very simple. That was why she was tricked by Yun Chujiu. Otherwise, even 10,000 yun chujiu would not be a match for the Heavenly Dao Cliff.

Therefore, even though the dark clouds in the sky struck down all the remaining lightning, they were blocked by the Golden Light of the Heavenly Dao Cliff. In a short while, they dissipated.

Wu Yun flew away trembling. It was obvious that it was very angry. It decided to go back and complain. It had to deal with the Heavenly Dao cliff that was betraying it!

When Yun Chujiu saw that Wu Yun had flown away, she climbed out of the cave.

Why did she have to climb? Because the entrance of the cave had been buried by more than half of the rocks that had been cut down. This guy had no choice but to climb out.

“Little Tian Tian! No wonder you are called the Heavenly Dao Cliff. You are indeed a hero! Let me tell you, I have seen a lot of divine artifacts and the artifact spirits of mystical realms. Only you are the most righteous, the most powerful, and the most domineering. Even a pervert like me is willing to admit defeat!” Yun Chujiu was afraid that the Heavenly Dao Cliff would settle the score later, she quickly covered it up.

Although the Heavenly Dao Cliff was simple, it was not stupid. It naturally knew that Yun Chujiu was giving it a sweet slap, it snorted coldly, “HMPH! Don’t think that I can forgive you just because you praise me! Just stay at the bottom of the valley! Even if you climb halfway, I can still get you down!”

The Heavenly Dao Cliff felt that Yun Chujiu would definitely cry and beg for mercy after hearing what it said, who would have thought that this fellow would say with a smile, “Little Tian Tian, you are really understanding. I have just broken through, and it is also extremely good to stabilize my cultivation base at the bottom of this valley.”

The Heavenly Dao Cliff swept a glance at Yun chujiu and said with disdain, “Forget it! You speak so nicely. Aren’t you still at the first level of the Lingxuan realm? Where did you break through? Do you think I am blind?”

Yun Chujiu was also trying to show off. The spiritual power in her body began to surge. The second level of the Lingxuan realm, the third level of the Lingxuan realm... It stopped growing until the seventh level of the Lingxuan realm.

Tiandao Ya’s mind was blank. He had been struck by a few lightning bolts and he had advanced to the sixth level? God, how could he let others play with this? This was too abnormal!

“Little Tiantian, actually, I was joking with you! I was originally at the fourth level of the Lingxuan realm. This time, I only advanced to the third level.”

Only three levels? Only? Are you sure you weren't just showing off? Advancing by three levels all of a sudden, and you're still not satisfied? Do you know that you'll be struck by lightning if you do this?

Alright, this demon was originally struck by lightning!

After a long while, Heavenly Dao cliff finally said, “Then why was your spiritual power level at the first level of the Lingxuan realm? Even if there was a spiritual weapon that could conceal the spiritual power level, it shouldn't be able to hide it from me.”

Yun Chujiu didn't hide it and said with a smile, “I don't know what happened either. If I didn't wear this spirit concealing ring, I wouldn't have any spiritual power fluctuations on me. If you don't believe me, take a look.”

As Yun Chujiu said that, she took off the spirit concealing ring. The Heavenly Dao Cliff was surprised to find that the little girl in front of him didn't have any spiritual power fluctuations at all.

Heavenly Dao Cliff felt that he had opened his eyes. Then, he realized that the ugly bird and the Xiao Mogu's spiritual power level did not seem to be right. Forget it, the abnormal spiritual pet was also abnormal!
