

The Yun Family's Ninth Child is an Imp! Chapter 2261

Just as the Heavenly Dao Cliff was thinking about it, he saw that Yun Chujiu's spiritual power level had once again changed to the first layer of the Lingxuan realm. Although this fellow wanted to show off, he was afraid that he would attract trouble, so he decided to find another opportunity to raise the level of his spiritual power, this time, he would not adjust it.

The Heavenly Dao Cliff thought that Yun chujiu did this to pretend to be a pig to eat a tiger, and to trick people. It immediately reminded it of what had happened just now, and the anger in its heart suddenly rose.

“Stupid girl! Tell me, how do you account for the fact that you framed me just now?”

Yun chujiu rolled her eyes. This Heavenly Dao Cliff was intermittently crazy, right? They were just having a good chat just now, why did they suddenly turn hostile?

“Little Tian Tian, how did I frame you? Alright, I admit that I did ask you to help me a little, but why didn't I ask for help from others? That's because other than you, Little Tian Tian, who else in the immortal essence continent can resist the heavenly thunder? Who Else? Tell me, who else?”

The Heavenly Dao Cliff was dumbfounded by Yun Chujiu's questions. That's right, other than him, who else could be so awesome? Who else could fight against Wu Yun? ! Who Else? !

“Little Tian Tian, I believe that you already have the answer, right? As the saying goes, the more capable a person is, the heavier the responsibility on their shoulders. No matter what, I’m still your friend, right? No matter what, I’m still a student of the Heaven Punisher Academy, right? As the Guardian of the Heaven Punisher Academy, shouldn’t You Stand Up and save me?”

The Heavenly Dao Cliff suddenly felt that its image had become more imposing. Looking down at the weak little girl at the bottom of the valley, it felt that it was too narrow-minded. It didn’t really matter if it helped carry a few bolts of lightning, after all, it didn’t have any losses, right?

Seeing that the Heavenly Dao cliff didn’t say anything, Yun Chujiu knew in her heart that the fish had already taken the bait, she said with a smile, “Little Tian Tian, besides, don’t you think that fighting with Wu Yun is quite fun? Tell me, other than distributing the inheritances to the people of the Heaven Punisher Academy for so many years, what other fun do you have?”

“Now that you think about what happened just now, don’t you think it’s very interesting? “Wu Yun was frightened by your powerful ability and fled in panic. How interesting!”

Heaven’s path cliff recalled what happened just now. That’s right. That Wu Yun still thought that it was so great that his father wouldn’t be able to torture it to death? ! In the end, when it fled, it looked like a stray dog. It was extremely enjoyable!

Heaven’s path cliff felt that the past hundreds of thousands of years seemed to be a patch of pale memories. Only being cheated by the smelly girl and fighting with Wu Yun were vivid colors. It seemed that these days had also become interesting!

After Heaven Dao Cliff was taken away, his attitude immediately changed. “Little girl, what you said still makes sense. That Wu Yun can’t be compared to me. It’s really too weak! I’m not bragging. Let alone splitting it for 10 hours, even if I let it split it for 10 days and 10 nights, it can’t do anything to me!”

“That’s right, you’re Heaven Dao Cliff! A single Wu Yun is not on the same level as you. You’re just like the Sun in the sky. Wu Yun is mostly just a small candle, and it’s the kind of small wax head that’s about to burn out!” Yun Chujiu said flatteringly with a smile.

Tian Dao cliff was in a good mood now. He found Yun chujiu pleasing to the eye. However, he said uneasily, “Little girl, although this is quite pleasant, do you think Tian Dao will punish me?”

“Little Tian Tian, you are worrying too much. I have already scolded Tian Dao as an old B * stard, but am I not still alive and kicking? ! Besides, when Tian Dao punishes people, it is nothing more than a lightning strike. What are you afraid of? !” Yun Chujiu said while pouting.
