

## The Yun Family's Ninth Child is an Imp! Chapter 2263

Jin Zhi was naturally full of questions when she saw Yun Chujiu. However, she was not too worried when she saw that Yun Chujiu's expression was normal and she was not injured. She was prepared to ask more questions when she returned.

The servant had almost cleaned up the classroom. He greeted Yun chujiu when he saw her coming in.

Yun chujiu nodded politely and said something like "Thank you for your hard work".

This guy never bossed people around just because of their low status or low spiritual power. He was good to others, good to himself, good to others, and good to himself.

After a while, the odd-job workers cleaned the classroom thoroughly. After Yun Chujiu let the odd-job workers leave, the three of them waited for a while before leaving the second grade day class classroom.

"You were in a hurry to come here. Haven't you had dinner yet?"

Seeing that Jin Zhi and Xue Wuji nodded, Yun Chujiu said with a smile, "I'm not full either. Let's go to my yard and have some barbecue!"

Xue Wuji and Jin Zhi both loved to be lively, so they naturally agreed happily.

The three of them arrived at Yun Chujiu's yard. After setting up a bonfire, Jin Zhi couldn't wait to ask Yun Chujiu about the incident.

Yun chujiu did not hide anything and told them everything.

"Little Jiu, you are already at the seventh layer of the Ling Xuan Realm? Oh My God! In comparison, I am simply a piece of trash!" Jin Zhi said dejectedly.

Xue Wuji was also slightly disappointed. His spiritual power was indeed too low.

Seeing this, Yun Chujiu told the two of them what Di Beiming had said. She pouted and said, "Your good days are coming! I am the stupid bird that flies first!"

Seeing Yun chujiu say this, Jin Zhi quickly comforted Yun Chujiu, afraid that she would be unhappy.

In fact, the three of them were not jealous of each other's opportunities. They just wanted to become stronger, and wanted to have the ability to protect each other.

Fortunately, the three of them had gone through a life and death test, so they would not think about some things, so they would not hold any grudges.

“By the way, Beauty Jin Zhi, you helped me apply for leave. The teacher of the Beast Taming class didn’t say anything, right?”

Jin Zhi slapped her thigh. “I almost forgot about this matter. Teacher du of the Beast Taming class asked you to go see him after you recovered from your illness.” “I guess he thought you were pretending to be sick. That teacher du doesn’t look as snobbish as teacher Dong, but he is a very serious person. You have to be mentally prepared.”

Yun chujiu nodded her head indifferently. At most, she would be punished. Compared to leveling up and breaking through, this was simply not worth mentioning.

Seeing that Yun Chujiu did not seem to care, Jin Zhi emphasized again, yun chujiu smiled and said, “Don’t worry. I’ll go and meet that teacher du after lunch tomorrow. Speaking of which, it’s also fate. I said that my stomach hurts, so teacher du came. God is so cooperative with me, I’m embarrassed!”

Xue Wuji and Jin Zhi..

“Little Jiu, after you left, that teacher Dong scolded you a lot. He’ll probably make things difficult for you in the spiritual power class tomorrow morning. “I have recorded the content of the lecture. You can listen to it later. If he asks you a question, you won’t be embarrassed.”Jin Zhi handed the recording stone to Yun Chujiu.

“Beauty Jin Zhi, you are so thoughtful! If I were a man, I would definitely marry you!”Yun Chujiu said slyly.

Although Jin Zhi was cheerful, she could not stand Yun Chujiu’s shameless teasing. She glared at her and said, “Little Jiu, you’d better stop! If your Majesty hears this, he might punish you!”
