

## The Yun Family's Ninth Child is an Imp! Chapter 2264

Yun Chujiu said indifferently, "The pretty boy has already been subdued by me. He doesn't even dare to say anything when I say so. How dare he deal with me? It's against him!"

The corner of Jin Zhi's eyes twitched. "Little Jiu, is what you said true?"

"Of course it's true. It's more true than a pearl! The Pretty Boy is now a standard wife slave. He doesn't dare to refute my words." Yun Chujiu said proudly.

"Ah! Your Majesty! Your Majesty, why are you here?" Jin Zhi looked at the door of the courtyard in surprise.

Yun Chujiu was immediately dumbfounded. "Beauty Jin Zhi, what I said to you just now was just a joke. In fact, I'm the one who was taught a lesson. Hehe, our family's matters are all decided by our Prince Charming."

After Yun Chujiu said that, she saw Xue Wuji and Jin Zhi laughing unsteadily. She turned around and saw that there was no gigolo. It turned out that Jin Zhi was lying to her!

This fellow's face turned red. What the F \* ck, he had failed miserably! It was all the gigolo's fault. He had been caught a few times in the past, and it was a conditioned reflex!

Fortunately, this fellow was thick-skinned enough to mediate the situation for himself. “Go ahead and laugh! What’s The Big Deal? ! Am I not afraid of Gigolo? This is not fear, this is love! Do you understand? !”

Jin Zhi and Xue Wuji knew that this guy was actually shy, so they did not continue to ridicule her. After laughing for a while, they changed the topic.

The three of them ate and chatted until it was time for Hai Shi to return to their respective residences.

After Yun chujiu washed up, she lay on the bed and turned on the recording stone. After listening to teacher Dong’s spiritual power class, she fell asleep.

The next day, when Yun Chujiu and the other two entered the classroom, although no one dared to talk about it, many people’s eyes were filled with schadenfreude.

This Mo Fangcao was going to be unlucky!

Teacher Dong was extremely angry yesterday. Today, he definitely wouldn’t let her off easily. Also, teacher Du’s expression yesterday was very serious. He probably wouldn’t let this Mo fangcao off easily. There was going to be a good show to watch!

After a while, it was time for class.

Teacher Dong walked into the classroom with a gloomy face. Yun chujiu couldn't help but criticize him in her heart. This teacher Dong always had a resentful look on his face. It really affected the appearance of Xingtian Academy!

Teacher Dong's gaze fell on Yun Chujiu. Seeing that she wasn't wearing a veil today, he naturally couldn't kick her out again. However, his eyes flashed as he thought of a legitimate way to punish Yun chujiu.

"Yesterday, I introduced the first step of cultivating the Spirit Energy Phantom technique. Have you all memorized it?"

Everyone naturally agreed, teacher Dong nodded in satisfaction. "Since you've all memorized it, then I'll ask a question. If you can't answer it, then don't attend this class! Mo fangcao, you answer this question!"

Everyone's gaze was focused on Yun Chujiu. Many of them were gloating. This Mo Fangcao did not attend the class yesterday. It would be a miracle if she could answer it!

Teacher Dong and everyone else had the same thought. This Mo Fangcao would definitely not be able to answer it. They could just kick her out to prevent her from getting angry.

Yun chujiu stood up and looked uneasy. "Teacher Dong, I didn't attend class yesterday. Can you change to another student to ask a question?"

Teacher Dong sneered. "You didn't attend class yesterday because you did it yourself! Since you can't answer it, get out! You Don't have to listen to this class anymore!"

Xue Wuji and Jin Zhi lowered their heads. They thought to themselves, this little pervert is up to something again. She never forgets it. It would be a miracle if she can't answer it!
