

The Yun Family's Ninth Child is an Imp! Chapter 2265

After teacher Dong finished speaking, he saw that Yun Chujiu didn't move, he raised his voice and said, "Didn't you hear what I Said? It's fine if your aptitude isn't good, but your attitude in class isn't correct. Someone like you is simply a disgrace to the Sky Punisher Academy! Get Out, quickly get out!"

Yun chujiu suddenly raised her head and stared coldly at teacher Dong.

Teacher Dong was startled by Yun Chujiu's cold gaze and subconsciously took a step back. Then, he shouted angrily out of embarrassment, "Impudent! What kind of attitude is this? Are you dissatisfied with this teacher's punishment?"

"Teacher Dong, I didn't violate your so-called classroom discipline. What right do you have to kick me out? Besides, I entered the academy openly, and I didn't enter through the back door. What right do you have to say that I'm a disgrace to the Sky Punisher Academy?"

"Do you think there's something wrong with the Academy's admission process? "Or do you think that the Heavenly Dao cliff is blind, so they taught me two inheritances?" Yun chujiu stared into teacher Dong's eyes and asked word by word.

Teacher Dong's eyes flickered a few times. Unless the student violated the classroom discipline, only the teacher had the right to kick the student out of the classroom. He indeed didn't have the right to Kick Yun chujiu out.

However, the arrow was on the bowstring. So many eyes were watching.., he could only bite the bullet and angrily say, "I don't care how you got in. If you can't answer my questions, then get out! You can sue me wherever you want!"

"What if I can answer? Do you want to apologize to me, teacher Dong?"Yun Chujiu said provocatively.

Teacher Dong sneered, "Do you think I won't let you answer the question just because you said so? Fine! If you can answer this question, I will apologize to you! If you can't answer it, not only will you not attend today's spiritual power class, but you will also not attend any spiritual power class in the future!"

Everyone looked at Yun Chujiu. They all had the same thought. This Mo Fangcao was probably trying to scare teacher Dong. They didn't expect that it would backfire. This time, they would see what she would do!

She didn't even attend class yesterday. It would be a miracle if she could answer! She might as well go out obediently. This time, she wouldn't be able to attend any spiritual energy classes in the future.

Yun chujiu curled the corners of her lips and said clearly, "The spiritual energy phantom technique is the foundation of a high-level physical transformation technique. Only after mastering a high-level physical transformation technique can one advance in the cultivation of the spiritual energy phantom technique.

“The first step of cultivating the Spirit Power Phantom technique is to divide the spirit power. That is to say, while using the high-level physical transformation technique, you must also divide a part of the spirit power to transform the auxiliary beast. “Teacher Dong, is my answer correct?”

When Yun Chujiu said the first sentence, teacher Dong’s face changed. He knew that he had been tricked by this stupid girl! She clearly knew, but she deliberately pretended that she didn’t know. It was to set him up and make him apologize. Damn it!

“Teacher Dong, as a teacher, you won’t go back on your words, right?”Yun chujiu asked with a smile.

Teacher Dong’s face flushed red. He wished that he could slap Yun Chujiu to death with one palm. He gritted his teeth and said vaguely, “You answered correctly. I shouldn’t have kicked you out just now. Sit Down!”

Yun chujiu glanced at teacher Dong with a faint smile. She did not continue to pester him. After she sat down, she looked at teacher Dong calmly as if nothing had happened.

Teacher Dong’s expression was very ugly. He felt that all the students in the Star class were laughing at him in their hearts. He forced himself to finish the class and left angrily.
