

The Yun Family's Ninth Child is an Imp! Chapter 2274

Yun chujiu sighed. She had indeed gone overboard.

Especially after she had advanced three levels, she felt that her current spiritual power was considered outstanding in the first grade. Moreover, she could refine pills and talismans, not to mention that she had eloquence that could talk the dead alive.

She felt that the first grade could no longer contain her. She felt that those who opposed her were all scum and could be dealt with with a little trick.

“Wake up! Yun Chujiu! Wu Ji’s head and Beauty Jin Zhi were right. You are nothing now. You are just a weak chicken!”

“Think about the assassin you met outside the Mo residence. You Don’t even have the strength to fight back. What if that person’s master sends someone to kill you again?”

“And that Ye Bingyu, will she let it go?”

“Forget about all this. Mother’s reason for being expelled from the Ye family back then and the cause of her death are all waiting for you to investigate.”. “Furthermore, even though the matter with the Divine Devil Hall has temporarily come to an end, who knows when it will come back. That Su Yanran will definitely come looking for you to take revenge.”

“Also, Big Brother Mermaid must have been trapped by a very powerful enemy and is still waiting for you to save him.”. “Not to mention, the pretty boy’s situation is even more dangerous. You’re so weak now, and there’s nothing you can do to help, but you actually floated up. You’re simply an idiot!”

The More Yun Chujiu thought about it, the more she felt that she had forgotten herself. She was simply a little bastard.

This fellow did not sleep well the whole night. Even if she did sleep, she would either dream about her experience of starving in her previous life or that everyone was accusing her of being lazy.

The next day, she got up with two dark circles under her eyes. She waited and waited, but Jin Zhi did not come looking for her to go to the classroom.

This fellow left the courtyard and went to Jin Zhi’s courtyard next door. He shouted a few times, but no one responded. Xue Wuji’s courtyard was also completely silent.

This fellow was not stupid. He knew that Xue Wuji and Jin Zhi had already left and dumped her!

Yun chujiu pursed her lips. It seemed that these two people were determined to teach her a lesson. She had no choice but to walk towards the classroom in loneliness.

When she reached the classroom, Xue Wuji and Jin Zhi turned a blind eye to her as if they did not know her.

Yun Chujiu and the other two had always been the focus of the Star class. When everyone saw Yun chujiu being isolated, they could not help but gloat. They did not expect them to fight among themselves. They deserved it!

After two classes, Yun Chujiu was about to ask Jin Zhi and the others if they wanted to go to the canteen for a meal. She did not expect the two of them to ignore her and directly leave the classroom.

Yun chujiu could only follow behind the two of them with her head drooping, looking like she had nothing to live for.

Jin Zhi glanced at them from the corner of her eyes and felt a little sad, xue Wuji said in a low voice, "Don't you know? Little Sister Jiu is good at pretending to be pitiful. This time, we must teach her a lesson. Otherwise, she might not be able to make trouble."

Jin Zhi nodded and hardened her heart to ignore Yun chujiu.

During the meal, although Yun chujia shamelessly sat with Jin Zhi and the others, Xue Wuji and Jin Zhi ignored her.

After supervising the handyman to clean up the second grade day class classroom, Xue Wuji and Jin Zhi quickly left without waiting for Yun chujia who had locked the door behind them.

Yun chujia stomped her feet. Forget it, there was no way a monk could run away from the temple. She would find them to apologize when she returned to the dormitory.

Yun chujia was not too anxious after thinking about this and strolled towards the dormitory.

“Stop! Mo fangcao, it’s time for us to settle the score today.”

Yun chujia looked up and saw a group of people standing in front of her. The one who spoke was Zhu Jingtie, whom she had beaten up previously.
