

## The Yun Family's Ninth Child is an Imp! Chapter 2275

Yun chujiu was not in a good mood, so she was not in the mood to deal with him. She said coldly, "A good dog doesn't get in the way. Get out of the way!"

"Stupid girl, didn't you just bully me and my brother last time that we didn't have any points? You Act arrogantly, so naturally, someone will help us seek justice. Who Is This? Do You Know Him?"

Yun chujiu looked at the man that Zhu Jingtie was pointing at. The man was wearing the clothes of a second-year student. He looked arrogant and looked at Yun chujiu with disdain.

"I don't know him, and I'm not interested in knowing him. Get out of the way, or I won't be polite."

"Not polite? Aren't you just relying on your points? To tell you the truth, he hongquan, senior he, is my brother's good friend. He has 500 points, so it's more than enough to beat you up. If you don't want to be beaten up, immediately kneel down and apologize to my brother and me. Otherwise, you won't have a good ending." Zhu Jingtie said arrogantly.

Yun chujiu looked at he hongquan and said indifferently, "Senior he, what do you say?"

He hongquan curled his lips. "Little girl, don't be too arrogant. Jing tie is my good friend's younger brother. If you beat him up, it would be a loss of face for me. "However, since you are a woman, as long as you kneel down and admit your mistake, I will raise my hand and spare you."

“What if I Say No?”

“Since you refuse to accept the hard way, then I will teach you the rules of Xingtian Academy. All of you step back and hand her over to me.” After he hongquan said that, he slapped Yun Chujiu in the chest.

He clearly had bad intentions. Seeing Yun Chujiu’s beautiful appearance, he had a devious thought and wanted to take advantage of her.

Yun Chujiu’s eyes deepened. She was already in a bad mood, so when he hongquan bumped into her, he would naturally not be polite.

Although she could not see through he hongquan’s cultivation level, as a second-year student, even if he was in the day class, he was only at the first level of the spiritual void tier. As long as she seized the opportunity, she would still have a way to win.

Yun chujiu jumped to the side and dodged he hongquan’s attack. She also kicked he hongquan’s abdomen. He hongquan naturally would not sit still and wait for his death. He dodged to the side and the two of them tangled together.

The two of them did not use their spiritual power because once they used their spiritual power to attack, it would not be a matter of 200 points. It would be at least 400 points and they might even be directly expelled.

The commotion on this side quickly attracted many students to come over and watch. When they saw the two parties involved, they all had the same thought in their hearts. F \* ck, it was this ink fragrant grass again!

“TSK tsk, this Mo Fangcao is really a seed that can cause trouble! It’s only been a few days, why is there a war again?”

“Didn’t you see that Zhu Jingtie? He’s probably here to seek revenge from his backer.”

“I know that he hongquan. He’s a student from the second grade’s Day class. I think he found a spirit herb that the spirit herb garden needed during the last trial, and the Academy rewarded him with a lot of points.”

“No wonder he dared to fight with that Mo fangbing. He has nothing to fear! This time, Mo Fangbing has kicked an iron plate! It’s useless for her to use points to blackmail him!”

..

Zhai Shanshan and Xi Luoxia were also in the crowd. The two of them had already reconciled, and their faces were filled with schadenfreude. He Hongquan's spiritual power was said to be at Lingxu first layer, while that Mo Fangbing was only at Lingxuan first layer. She was just waiting to be beaten up!

Mo Fangbing stood beside the two of them and hesitated for a moment, but she still took out her identity jade token to inform Jin Zhi.

"Mo Fangbing, what are you doing? Don't meddle in other people's business, or Zhu Jingtie won't forgive you," Xi Luoxia said viciously.

Mo Fangbing had no choice but to put away her identity jade token. She thought to herself, it's not that I don't want to save you, Mo Fangbing, it's just that I have no other choice. You better pray for yourself!
