

The Yun Family's Ninth Child is an Imp! Chapter 2276

At this time, Yun Chujiu and he hongquan had been fighting for 15 minutes, but it was still difficult to determine the winner.

The onlookers could not help but discuss, "It doesn't make sense!"! Although both of them did not use their spiritual power, he hongquan's spiritual power level was much higher than Mo Fangcao's, and his movement technique should be much faster than hers. Why did he not have the upper hand at all?"

"I guess he hongquan didn't use his full strength. After all, he's a senior, and his opponent is a little girl."

"Forget it! Look at the veins on his forehead. He must have used his full strength. He's just not as skilled as her."

..

Hearing the discussions of the crowd, he hongquan became more and more anxious. He originally thought that he would be able to take down this little girl in a few moves, then tease her a little and take advantage of her at the same time. He didn't expect her to be so difficult to deal with. What should he do?

If they continued to be entangled like this, all the previous efforts of the law enforcement team's instructors would be wasted.

At this moment, Yun Chujiu's feet were unstable, and a flaw was revealed. He Hongquan was overjoyed and immediately stretched out his leg to kick Yun Chujiu's lower abdomen.

The onlookers could not help but suck in a breath of cold air. The lower abdomen was the most vulnerable part of the human body. If this kick landed, Mo Fangcao would definitely be seriously injured.

Just when everyone thought that Yun Chujiu would be seriously injured, they did not expect Yun Chujiu's body to twist strangely and Dodge He Hongquan's kick.

He Hongquan's body could not control its balance due to the excessive force used. He could not help but lean forward. However, Yun Chujiu turned behind him and gave him a fierce kick on the back.

He Hongquan was kicked more than a hundred feet away. As soon as he got up, he was imprisoned by Yun Chujiu.

For a moment, everyone was unable to react. How did the situation turn around in such a short time?

He Hongquan, who was in the first layer of the spiritual void tier, was actually defeated by Mo Fangcao, who was in the first layer of the spiritual void tier?

How was this possible?

However, the truth was right in front of everyone's eyes. It was really unbelievable.

If it were in the past, Yun Chujiu would definitely extort some spirit stones from he hongquan and Zhu Jingtie. However, she was in a bad mood today, so she didn't have the mood to relax.

Yun chujiu saw that there were people from the law enforcement team coming over. This guy covered it with his sleeve and grabbed the sharp beak of the red-eyed poisonous wasp that was cut off yesterday. He stabbed the wasp into he hongquan's heart and then jumped to the side.

He hongquan cried out in pain. He jumped up and attacked Yun chujiu with his spiritual power. "B * Tch! How dare you hurt me? I'll kill you!"

"Help! Help! This lunatic is going to kill someone!"Yun chujiu only dodged and did not fight back. The law enforcement team was already here, but he hongquan actually used his spiritual power to attack. He was simply courting death.

Sure enough, the teachers of the law enforcement team quickly controlled he hongquan and asked him about what happened.

Yun chujiu told them the whole story. “Teachers, I was completely defending myself. And as you have seen, he hongquan actually used spiritual power to attack. It is obvious that he wants to kill me. You have to help me, this weak little girl!”

The audience’s eyes twitched. You? Weak? Forget it! You are the most powerful one! You hit your teacher and your classmate. You are a female bandit.

“Teacher, don’t listen to Mo Fangcao’s nonsense! She stabbed my heart with a sharp weapon. Otherwise, I wouldn’t have used my spiritual power to attack in a hurry.” He Hongquan knew that once the crime was proven.., perhaps the 500 points would be gone.

Yun Chujiu had an innocent expression on her face. “I stabbed you? Heaven and earth, when did I stab you? If I stabbed you, I would at least have a weapon. Who saw me draw my sword?”
