

## The Yun Family's Ninth Child is an Imp! Chapter 2279

"Housekeeper Fu, as far as I know, my mother was expelled from the family back then. Why would a expelled young lady's courtyard remain untouched?" Yun chujiu asked faintly.

"This, this..." housekeeper fu could not help but sweat profusely on his forehead. He did not expect that his lie would be exposed so quickly, he could only grit his teeth and say, "Young lady, I was wrong. Although Miss Lan's courtyard has already been occupied, as long as you follow me back to the Ye family, the old master will get someone to restore the courtyard to its original state."

"I see. Speaking of which, I'm not considered the proper master of the Ye family. Housekeeper Fu, there's no need to be so nervous." Yun Chujiu's tone was still indifferent.

Although housekeeper Fu knew in his heart that this young miss was only at the first layer of the Ling Xuan realm and that the family was only a branch of a third-class family, for some reason, he could see ye Lan's shadow in her back then, he could not help but feel some fear in his heart.

Housekeeper fu thought of ye Lan and could not help but sigh in his heart. Although ye Lan was the daughter of a concubine of the Ye family, at that time, she was the chosen one of the eastern continent and the pride of the Ye family. Who would have thought that in the end, she would actually be removed from the list, she had fallen to the western continent and lost her reputation! What a joke of Fate!

Seeing that housekeeper Fu was slightly absent-minded, Yun chujiu coughed and said, "Housekeeper Fu, I still say the same thing. I'll go visit the Ye residence after the long holiday."

Housekeeper fu saw that Yun Chujiu's attitude was firm, so he had no choice but to leave respectfully once again.

Seeing that housekeeper Fu had left, Yun Chujiu was about to turn around and return to Xingtian Academy when she heard a sharp voice say, "Mo Fangcao! I'm warning you, you're not allowed to take even half a step into our ye residence. Otherwise, I'll kill you!"

Yun chujiu turned her head and saw that the one who spoke was ye Bingyu. Beside her were Liu Pinyan and Liu Jinluan.

Ye Bingyu only found out after receiving a letter from her family that the stinky girl she had met in the psychedelic forest was actually her cousin. No wonder they looked alike! Pui! She was merely the daughter of a concubine who had her name removed. She was not fit to be her cousin.

The corners of Yun Chujiu's mouth curled up. "You seem to have made a mistake. It was your ye family that repeatedly invited me, and I rejected it! "Ye Bingyu, don't think that everyone is eager to go to your ye family. I'm too lazy to go!"

"B \* Tch! What you said sounded nice. Your Mother is a shameless B \* TCH. You're a B \* Tch born of a B \* Tch!"

Slap!

Yun Chujiu gave ye Bingyu a hard slap and grabbed her neck. "Ye Bingyu, if you dare to say anything bad about my mother again, I'll kill you."

Ye Bingyu was grabbed by the neck, so she couldn't say a word. Her face was blue and purple, and she was about to suffocate.

Liu Jinluan cried out in shock, "Let go of me! You're going to strangle me to death!"

Yun chujiu snorted and let go of Ye Bingyu.

Ye Bingyu kept coughing and finally recovered. She pounced on Yun chujiu with a ferocious look. "B \* Tch! How dare you hit me? I'll kill you!"

Yun chujiu dodged lightly and dodged ye Bingyu's attack. She said coldly, "If you want to be punished by the city rules or expelled from the WA Rock Academy, you can continue to fight with me. I'm barefoot anyway. I'm not afraid of you wearing shoes."

Hearing that, Liu Jinluan hurriedly stopped ye Bingyu. "Bingyu, don't be rash. She's right. If we attract the law enforcement team of Tian Luo City and the academy here, it'll be bad!"
