

The Yun Family's Ninth Child is an Imp! Chapter 228

Master Xuanyuan asked indifferently, "Then what do you want to say?"

Du Guyi glanced at Yun Chujiu sinisterly. "There are two choices. Either we hand this little girl over to our Heavenly Gates sect to deal with, or we send ten people from each side to compete. The prize of the competition is a hundred thousand low-grade Spirit Stones! Master Xuanyuan, what will Spirit Radiance Sect choose?"

Yun Chujiu weakly stretched out her small claws. "Master Xuanyuan, may I say something?"

Master Xuanyuan nodded. "Yes."

Yun Chujiu smiled at Du Guyi. "From the two choices that Master Dugu mentioned, I understand that I, Yun Chujiu, are equivalent to a hundred thousand Spirit Stones. I wonder how sect leader Du Guyi wants to deal with me? Why don't you tell me, and if it's not too serious, just give me one hundred thousand spirit stones and I'll be at your disposal!"

Whether it was the people from the Spirit Radiance Sect or Heavenly Gates Sect, they were all instantly dumbfounded!

F*ck! They had never seen such a greedy person!

'Moreover, aren't you being too shameless?! Who said that you're equivalent to a hundred thousand Spirit Stones?! The two sects are fighting for face, not a mere servant disciple like you!'

"Little girl, if you accept Heavenly gates Sect's punishment, then immediately kneel down and apologize to the two disciples of my sect. Then, you have to withstand a slap from me!" Du Guyi said with a sneer.

“If that’s the case, then forget it! I’m representing Spirit Radiance Sect’s honor, and I can’t kneel down to two people that are inferior to pigs and dogs! Let’s meet on the competition stage! I think you might as well just give us that hundred thousand low-grade Spirit Stones since you won’t win anyway!” Yun Chujiu was afraid that Du Guyi would kill her out of embarrassment and anger, these words were said from behind Elder Qu with her little head poking out.

Du Guyi was so angry that his face turned ashen. “Master Xuanyuan, Spirit Radiance Sect is really too unruly! A mere servant actually dares to speak to the sect leader of my sect in such a manner. This is really going too far!”

Master Xuanyuan smiled faintly. “Du Guyi, why bother with a child?! I agree to have a competition with you. Men, build an arena on the Southern Jade Square. Tomorrow morning, Spirit Radiance Sect will have a competition with the Heavenly Gates Sect.”

Du Guyi snorted coldly and left with a few people.

“Yun Chujiu, you’ve provoked a dispute between two sects. You have to take responsibility for it,” Master Xuanyuan’s face darkened slightly as he said unhappily.

Yun Chujiu jumped out from behind Elder Qu and said with a smile, “Master Xuanyuan, you shouldn’t punish me. You should reward me!”

Master Xuanyuan was amused. “Why should I reward you?”

Yun Chujiu clasped her small hands behind her back and said slowly, “I heard that the Heavenly Gates Sect came this time to test the strength of our sect. Their disciples are picky and find fault with us. Aren’t they just trying to stir up some trouble so that they can take advantage of the situation to get you to agree to the competition?”

“Although you and the other peak masters and elders don’t like them, it’s not good for you to show up because of your status. What about the other senior brothers and sisters? They’re also afraid of

offending the guests and being blamed by you. So, I saw that this deadlock can only be broken by a shameless person like me.

“Thus, I encouraged everyone to beat up those two scumbags and even made them write a confession. In any case, you’ll have to agree to the Heavenly Gates Sect’s competition sooner or later. If I do this, Spirit Radiance Sect will go in with honor. When the confession of those two scumbags is announced, no one will say anything bad about us.

“Moreover, you can even earn a hundred thousand low-grade Spirit Stones. This is a good deal, and I’ve made quite a contribution this time. However, I’m not a greedy person, so it’s fine if we split it fifty-fifty. You could just give me ten thousand Spirit Stones.”

Everyone else was speechless.

‘We just want to ask... Yun Chujiu, where’s your honor?’
