

The Yun Family's Ninth Child is an Imp! Chapter 2280

Ye Bingyu was so angry that she gnashed her teeth. "Mo Fangcao! Good, very good! Unless you don't leave Tian Luo City for the rest of your life, I will definitely tear you into pieces!"

Yun chujiu suddenly smiled. Her smile was unbridled and unbridled. Ye Bingyu and the other two could not help but be stunned.

If Yun Chujiu was originally only 80% beautiful, her smile had actually turned into 10% , no, more than 10% . It was a kind of beauty that blossomed from her bones, an indescribable beauty.

"You, what are you laughing at?" After ye Bingyu was stunned, she was deeply jealous. Once this B * Tch really entered the ye family, she would definitely take away her brilliance in the future. She absolutely could not let her enter the ye family.

"Originally, I didn't plan to visit the ye family to visit Old Master Ye. But since you don't want me to go, then I can go and visit the ye family. Maybe Old Master sees that I'm smart and clever, and you, the great-granddaughter, will stand aside!" Yun Chujiu said with a smile.

"You! In your dreams! Your Mother has already been removed from the Ye family. Great-grandfather wants to see you, but it's only because he pitied you! Don't even think about taking advantage of the Ye family!" Ye Bingyu's heart was filled with fear for no reason, she didn't know why, but when she saw Yun chujiu, she felt a sense of crisis.

“Ye Bingyu, how about this? If you give me some spirit stones and flowers, I won’t go to the Ye family.”

Ye Bingyu was stunned!

There was actually such a shameless person in this world? !

“You, you’re Shameless! In your dreams! Mo fangcao, I’m warning you. If you want to live, don’t go to our ye family. Otherwise, HMPH!”

“Alright, the next time housekeeper Fu Comes, I’ll tell him that it was you, Ye Bingyu, who warned me. That’s why I didn’t dare to go to the Ye family.”. “Tell me, do you think the old master will be angry when housekeeper Fu Returns?”Yun Chujiu said with a smile.

Ye Bingyu immediately became afraid. In the Ye family, her great-grandfather’s words were like an imperial edict. If her great-grandfather found out that she obstructed mo fangcao from going to the Ye residence, he would definitely scold her.

“Mo Fangcao, if you dare to tell housekeeper Fu, I won’t forgive you.”

Yun chujiu curled her lips. "Can you still give me a fresh explanation? It's so boring! If you don't want the conversation today to reach the old master's ears, give me a million high-grade spirit stones. I'm a little short of money recently."

Ye Bingyu was dumbfounded!

What does being short of money have to do with me?

Before ye Bingyu could react, she saw Yun chujiu playing with a recording stone in her hand. It was the conversation between Yun Chujiu and Ye Bingyu.

Ye Bingyu immediately understood. "Mo Fangcao! You're too cunning! You're Shameless! Hurry up and give me the recording stone!"

Yun chujiu waved the recording stone in her hand. "Money in one hand and goods in the other. Otherwise, you'll be scolded!"

Ye Bingyu was so angry that her head was buzzing. Why was it that every time she met this wretched girl, she would be eaten alive by her? She was the same as that slut of hers, both of them were not good people!

Ye Bingyu gritted her teeth and passed one million upper-grade spirit stones to Yun Chujiu, and Yun Chujiu passed the recording stone to her, then, she said with a faint smile, “Ye Bingyu, no matter what, we are related by blood. I hope you know what it means to know when to stop. Otherwise, the consequences of offending me will be very miserable.

“The person who once offended me has not only died, but his family has also disappeared. If you don’t believe me, you can ask around.

“By the way, I heard that some very interesting things happened in your yard. If you don’t remember, it might be even more interesting next time.”
