

The Yun Family's Ninth Child is an Imp! Chapter 2281

"You, you're spouting nonsense! I don't understand what you're talking about!" Ye Bingyu stared at Yun Chujiu in disbelief. Her body trembled slightly, and the word "Kill", which was as red as blood, suddenly appeared in her mind.

It was really done by this B * Tch's backer?

She could actually know such a mighty figure with such high spiritual power?

No, that was impossible. She must have said it casually. How could a trash from a low-level continent like her know such a mighty figure?

Yun chujiu smiled indifferently and then gestured a few times on the ground with the tip of her toes.

Ye Bingyu's face instantly turned as pale as paper. It was her. It was actually her who sent people to warn the ye family. She couldn't help but tremble.

"Ye Bingyu, what I said to you today, you'd better keep it in your stomach. Otherwise..." Yun chujiu made a hand gesture to slit her throat, then turned around and strolled into Xingtian Academy.

“Bingyu, what’s going on? What did that Stinky Girl Say?”Liu Jinluan asked curiously.

After a long while, Ye Bingyu finally came back to her senses. She glared at Liu Jinluan coldly. “Shut up! Let’s go back.”

After ye Bingyu finished speaking, she turned around and walked towards the direction of the Huoshi Academy.

Liu Jinluan’s face flushed red. Liu Pinyan gave Liu Jinluan a comforting glance. Only then did Liu Jinluan put away her angry expression and chased after her.

Liu Pinyan’s eyes flashed. This Mo Fangcao didn’t seem to be simple. She seemed to have something on Ye Bingyu. It seemed like she should get someone to investigate.

On the other side, Yun Chujiu didn’t return to the dormitory. Instead, she came to the Heavenly Dao Cliff.

“Little Tian Tian, did you miss me? Let me chat with you.”Yun chujiu sat cross-legged on the ground and said with a smile.

Although the Heavenly Dao cliff was very happy that Yun chujiu came to chat with it, it still said arrogantly, "You Little Weakling, cultivating well is better than anything else. Why are you chatting with me when you have nothing to do?"

Yun chujiu knew the arrogant temperament of the Heavenly Dao Cliff, so she didn't take it seriously, she said with a little disappointment, "Little Tian Tian, I've encountered a difficult problem. I'm a little uncertain now. The Ye family, which is also my maternal family, invited me over as a guest..."

"Humph! I thought it was a big deal. If you want to go, then go. If you don't want to go, then don't go! What's there to be troubled about!"The Heavenly Dao Cliff said disdainfully.

Yun Chujiu knew that the Heavenly Dao cliff didn't understand the ways of the world. She just wanted to find someone to talk to. She didn't expect the Heavenly Dao Cliff to give her any ideas.

Yun Chujiu didn't refute the Heavenly Dao Cliff. Instead, she closed her eyes and began to meditate. Maybe it was because of the Heavenly Dao cliff, Yun chujiu found that it was easier to calm down and concentrate while cultivating here.

The Heavenly Dao cliff originally thought that Yun chujiu could tell it something interesting, but it did not expect Yun chujiu to start cultivating after just a few words. It could not help but feel disappointed.

It began to search for a topic and babbled a few things that it thought were interesting. Unfortunately, Yun Chujiu was not interested at all and continued to focus on cultivating.

“Little girl, why don’t you dare to go to the Ye Family? Are you afraid that someone will kill you?”The Heavenly Dao Cliff decided to start with this topic.

Yun chujiu looked at it as if it was an idiot. “Of course it’s because of this reason. Otherwise, what do you think I’m worried about. “The ye family is a first-class family. I’m only at the seventh level of the spirit profound realm. I don’t even know how I died there.”

Although old master ye would most likely not take her life, he wouldn’t care too much either. It was simply a matter of minutes for the Ye family to kill her.
