

The Yun Family's Ninth Child is an Imp! Chapter 2284

Although housekeeper Fu was very curious, he could not ask too much.

Soon, everyone left Tianluo City. Yun chujiu saw ye Bingyu and a young man from afar. It was probably the Ye Wenhong that housekeeper Fu had mentioned.

When they got closer, housekeeper fu paused and then introduced, "Miss, this is young master Wenhong of our ye residence. This is Miss Bingyu of our ye residence."

Yun chujiu could not help but laugh in her heart. This housekeeper Fu was also a shrewd person.

She probably did not know whether the ye family would recognize her or not, so she called her miss. However, when she introduced ye Bingyu and Ye Wenhong, she said that they were the ye family's young master and miss.

Moreover, she had clearly told him that she and Ye Bingyu were old acquaintances, yet he still introduced them solemnly. It was obvious that he did not quite believe her words.

Ye Wenhong frowned slightly and only nodded without saying anything. It was obvious that he did not take a liking to Yun Chujiu. She was merely the daughter of a concubine who had her name removed. He did not know why his great-grandfather insisted on seeing her.

Ye Bingyu's feelings were very complicated. If Yun Chujiu had not warned her, she would definitely have mocked and ridiculed her. However, when she thought of what Yun Chujiu said that day, she felt a chill down her spine.

Just when she did not know how to treat Yun Chujiu, she heard Yun chujiu say clearly, "Sister Bingyu, we meet again! Ever since we parted last time, I have missed you so much!"

Ye Bingyu was dumbfounded!

Is this Mo Fangcao Sick? !

Before she could react., yun Chujiu had already grabbed her arm. "Sister Bingyu, the last time I saw you in the psychedelic forest, I felt like we were old friends at first sight. I did not expect that we were related by blood. This is really fate."

"Mo Fangcao, you, you don't..."Ye Bingyu wanted to scold Yun Chujiu for spouting nonsense, but when she saw the warning in Yun Chujiu's eyes, she had no choice but to change her words. "Don't mess around, it's not proper."

"Sister Bingyu, why is your face so Red? Could it be that you're happy to see me? Alright, Alright, I won't tease you anymore! Anyway, we can be together for the next three days. Just thinking about it makes me very happy,"Yun Chujiu said with a smile.

Happy my ass!

Although ye Bingyu wanted to strangle Yun Chujiu to death, she did not dare to shed all pretense of cordiality. She could only let Yun Chujiu hold her arm and board the Flying Spirit tool with a stiff expression.

Ye Wenhong was very puzzled. The last time they met on the street, didn't Bing Yu still want to settle the score with this Mo Fangcao? How did they become best friends again? Bing Yu's personality was very arrogant. If they didn't really have a good relationship, why would she let that Mo Fangcao hold her arm?

Everyone had their own thoughts, so they all boarded the flying spirit tools.

Ye city, where the Ye family was located, was only two thousand miles away from Tianluo City. They could reach there in four hours at most.

On the flying spirit tools, Yun Chujiu and ye Bingyu were chatting enthusiastically. “Sister Bing Yu, what is the content of the spirit power class in your wa stone academy? Is it also a spirit power phantom technique?”

“Yes.”

“Sister Bingyu, then are your five techniques of cultivators also talking about the theoretical basis?”

“Yes.”

“Sister Bingyu, are your new students also divided into the day class, the Moon class, and the Star Class?”

“Yes.”

..

Housekeeper Fu and Ye Wenhong both felt that the relationship between ye Bingyu and Mo Fangcao was very strange. It seemed that ye Bingyu was obviously unwilling to talk to Mo fangcao, but she just sat there obediently.., what was going on?
