

The Yun Family's Ninth Child is an Imp! Chapter 2286

Ye Wenhong and housekeeper Fu looked at Ye Bingyu in surprise. Her relationship with Mo Fangcao was actually that good?

“Sister Bingyu, let’s go quickly. I Can’t wait to visit your courtyard!”Yun chujiu said with some excitement.

Ye Bingyu was extremely angry and left with Yun chujiu with a stiff face.

“Housekeeper Fu, I’ll go back and change my clothes. Then I’ll go and pay my respects to great-grandfather.”Ye Wenhong knew that housekeeper Fu would definitely report the matter of Mo Fangcao to Old Master Ye, so he found an excuse.

Housekeeper fu naturally understood ye Wenhong’s intention and said respectfully, “This humble one will report it to Old Master. This humble one will take his leave.”

Housekeeper fu quickly walked to a courtyard of the ye residence and arrived outside the study room. He bowed and said, “Old Master, this humble one is back.”

“Come in!”A voice that sounded like a loud bell came from inside.

After housekeeper Fu entered the study room, he bowed and said, "Old master, this little one has brought the young miss back."

There was an old man sitting behind the desk. When he heard housekeeper Fu's words, his expression did not change. He only slightly raised his eyebrows. "Did you forcefully bring her back or did she come of her own accord?"

"After I explained the purpose of my visit, housekeeper Fu said that it would be impolite of her to refuse again. She agreed to come with me without hesitation."

The old man took a sip of tea. "The little girl is sensible. She knows that I don't have much patience anymore."

Housekeeper fu raised his head and glanced at the old man. The old man glanced at him. "What else is there?"

"Miss Cousin and Miss Bingyu seem to have known each other before, and their relationship seems to be quite good." "In addition, after entering the manor just now, Miss Cousin mentioned Miss Lan's courtyard. I said that I can only give her an answer after reporting to you."

"She knows Bingyu? How could they know each other? Bingyu's personality is the most arrogant. How could she take a fancy to that little girl, Mo Fangcao? She wants to live in Shaohua Garden?" Rather than asking housekeeper Fu, it was more like he was talking to himself.

“What do you think of the little girl?”

“This, this little one doesn’t dare to talk about master,” housekeeper Fu said fearfully.

“But it’s okay to say it. Moreover, it’s still unknown whether she is master or not.”

“Miss Cousin’s appearance is 70% similar to miss LAN’s. Occasionally, the aura she gives off is also very similar to Miss Lan’s. This little one can’t help but feel a little afraid.”

As for her temperament, this little one really can’t quite understand it. Miss Cousin is occasionally outgoing and occasionally quiet. However, she doesn’t seem to be very interested in entering the ye residence.” Housekeeper fu deliberated over his own judgment.

The old man knocked on the table with his finger. Although ye Fu was a servant, he had seen the world and was actually unable to judge the true temperament of that little girl. It seemed that the little girl was either too simple.., or her thoughts were extremely deep.

She and the Lan Girl were mother and daughter, so they naturally had some similarities. It was just that he did not know whether the similarities were the good part or the disappointing part.

Housekeeper fu saw that the old man did not speak for a long time and asked tentatively, "Old Master, now that young miss has gone to young Miss Bing Yu's Courtyard to rest, what do you think is the next step?"

Old Master was truly shocked. "Bing Yu actually agreed to go to her courtyard to rest? Every time the Liu family's girl came, Bing Yu did not stay over. She actually agreed to Mo Fang Cao go to her courtyard?"

"That's absolutely true. Moreover, the two of them chatted very warmly on the flying spirit tool. It's just that Miss Cousin said a lot, but Miss Bingyu said less,"housekeeper fu replied.
