

The Yun Family's Ninth Child is an Imp! Chapter 2291

Yun chujiu thought about it. That Little SL * t should be talking about her, right? TSK TSK, it seemed that this Ge Shi regarded her as a thorn in her side. She didn't know if she was the one who sent the assassin.

“Mother, grandfather arranged this matter. I, as a junior, how would we dare to refute it?” Min Shi said with difficulty.

Ge Shi slapped the table. “HMPH! Don't tell me that it's useless. If you really agree to that little B * Stard being recorded under your second son's name, I won't let you off! Not only will zhiyong get a concubine, but Bingyu also won't have to go to Xingtian Academy. She can just find someone similar and marry him!”

Ye Bingyu was so angry that she gritted her teeth. “Grandmother, great-grandfather and grandfather won't allow you to do this!”

Ge Shi sneered. “What they are doing is a big matter. Don't tell me that their grown men will interfere in the marriage and funeral? I'm just looking for someone good on the surface for you. There are shady people in the house. How can grown men know?”

“You mother and daughter better be smarter. As long as you obediently mess up this matter, I won't mistreat you. Otherwise, HMPH! “Speaking of which, sooner or later, I will be in charge of this ye family. A woman whose family doesn't value her. What status do you think you will have when you go to the in-laws' Family?”

A terrified look appeared on Min Shi's face. She only had ye Bingyu as her precious daughter. If Ge Shi really married her into a bad family, then her life would be ruined!

The more Min Shi thought about it, the more afraid she became. She was about to kneel down and beg for mercy. Right at this moment, she heard someone giggle. Immediately after, a crisp laughter rang out like a silver bell.

Only then did ye Bingyu realize that Yun Chujiu was also in the room. Before she had the time to speak, she saw Ge Shi slam the table. "Impudent! Where are you from as a servant? Take him away and give him fifty strokes of the cane!"

"TSK TSK, I heard that the Ye family is a first-class family. This madam's behavior is really an eye-opener! She beat up her daughter-in-law, insulted her granddaughter, and even beat up a guest. In my opinion, it's even worse than a third-class family!" Yun chujiu slowly walked out from the corner.

Ge Shi was shocked when she saw Yun Chujiu's appearance. "Ye, Ye Lan? No, Ye Lan is already dead. Who Are You?"

"I'm sorry, I happen to be the little B * Tch You're talking about. I wonder if you're surprised to see me. Are you surprised?" Yun chujiu found an empty chair and sat down. She crossed her legs and said with a smile.

The people in the room froze. She said she was a little B * Tch? Is this person crazy?

Besides, who asked you to sit down? You're acting too familiar!

But it's true. She can even shamelessly enter the house, so what's the point of sitting down? !

Old Madam Ge thought about how Yun Chujiu heard what she just said and couldn't help but feel embarrassed and angry. However, she didn't think it was a big deal. It just so happened that the old master wasn't around, so she directly dismissed this little B * stard.

"As expected of a mother and a child. The Lan family is a B * stard. The Ye Lan that she gave birth to is also not a good thing. You are also a B * Stard who has no family education!" Old Madam GE said viciously.

"I've really learned something. A person who keeps calling others a B * Tch actually said that others have no upbringing. TSK TSK, I wonder if you used some kind of method to climb into my grandfather's bed back then. Otherwise, why would my grandfather marry an old B * Tch like you!" Although Yun Chujiu was thick-skinned, it did not mean that she would endure it if someone scolded her grandmother and mother.

Old Lady Ge was so angry that she almost lost her breath. She picked up the teapot on the table and threw it at Yun Chujiu.
