

The Yun Family's Ninth Child is an Imp! Chapter 2295

Ye Bingyu, who was standing at the side, was already dumbfounded! She had even forgotten to cry.

Yun chujiu pinched her and only then did she regain her senses. If she wanted to compete in crying, she definitely would not be able to compete with Yun Chujiu. Thus, she simply cried silently. In addition, the rims of her eyes were originally red, which made her even more miserable.

When this scene fell into ye Yuanliang's eyes, he automatically imagined that Ge Shi had forced his second daughter-in-law, Min Shi, to faint, and forced her granddaughter and granddaughter to cry. Yet, this shrew was actually still throwing a tantrum there. She was simply an unreasonable and vicious woman!

"Ge Shi, shut up for me! Or else I'll divorce you!" Ye Yuanliang had long been dissatisfied with Ge Shi. If it wasn't for the fact that he already had children and grandchildren, he would have long divorced Ge Shi.

Ge Shi sniffled and cried, "Master, I'm going to die of pain! That Little, little girl just used a knife to force my neck. She wants to kill me!"

Ye Yuanliang glanced at her. "You, this poisonous woman, actually slandered me in order to frame Fang Cao! There isn't a single wound on your body. How could it be so painful? Moreover, you are at the fifth layer of the spiritual void tier, and Fang Cao is only at the first layer of the spiritual profound tier. How could she threaten you?"

Ge Shi was anxious. “Master, what I said is absolutely true. If you don’t believe me, you can ask them!”

The old woman who had been kicked out earlier quickly said, “Yes, master. That young... Young Lady did use a large kitchen knife to force madam. She even kicked the servant out.”

Ye Yuanliang turned around and kicked. That unlucky old woman was once again kicked out. This time, she was even more miserable. She directly vomited blood and fainted.

“Ge Shi, do you think I don’t know that this room is filled with your people? Naturally, I agree with what you said. I’ve tolerated you for decades. Now, I don’t want to endure any longer. Just wait for your divorce papers! “Fangcao, Bing Yu, help the second son’s family members follow me.”Ye Yuanliang did not even glance at Ge Shi after he finished speaking, he directly left the house.

Ye Bingyu’s heart was very complicated. She, her mother, and the old pious woman had fought for so many years. Although she could occasionally gain the upper hand, this was the first time she had won so completely. Seeing the old pious woman almost vomiting blood, it was really great!

Although this Mo Fangcao was a bit of a waste, and although it was a bit detestable, it still had some redeeming qualities. She was simply a sharp weapon to deal with the old pious woman!

Just now, she heard that the old pious woman wanted to put her under the name of their second son? If Ye Bingyu had heard this news before, she would definitely not have been happy. But now, it was simply what she wanted. With this big killer weapon, dealing with the old pious woman was simply a piece of cake.

She did not think that her grandfather would really divorce the old pious woman. If he could, he would have done so long ago. She reckoned that he would only be grounded for a few days.

Ye Yuanliang was both angry and angry. He had always felt guilty towards the Lan family and ye Lan. Now that his granddaughter was finally found, he did not expect that he would be wronged the moment he arrived. It was all because of that poisonous woman from the Ge Shi!

Ye Yuanliang wanted to ask Yun chujie about her experiences over the past few years. However, the old master had not asked anything yet, so he could not overstep his boundaries. He could only say, "You guys can go back first. I Won't let you suffer for nothing."

Min Shi bowed and brought ye Bingyu and Yun chujie back to her own courtyard.

Min Shi's courtyard was not too far from ye Bingyu's courtyard. She ordered a maid to bring some face washing water. The three of them washed up and then sat down.

Perhaps it was because they had acted together before, Min Shi felt that Yun chujie was very pleasing to the eye. She smiled and said, "Sister Lan is a beauty. I didn't expect you to be even more beautiful than your mother. You're really a beauty!"
