

The Yun Family's Ninth Child is an Imp! Chapter 2300

Old Master ye frowned slightly. "What request?"

"It's fine to record it under second uncle's name, but I don't want to change my surname. I also don't want to be called Mo Fangcao. Can I still call my original name, Yun Chujiu?" "And I don't want to change my name either. Let's talk about it from my mother. I'll call her whatever I should."

"Sure, as you wish. Since you've agreed, I'll officially introduce you to everyone tomorrow morning. From now on, you'll be a member of the Ye family."

Great-grandfather ye had never taken a liking to the Mo family, much less what kind of lousy name he had given them? Where in the world would there be plenty of fish in the sea? As for the way he addressed her, it didn't matter. Not changing the way he addressed her was easier for everyone to accept.

The two of them chatted for a while more before old master ye waved his hand to signal for Yun Chujiu to leave.

Yun chujiu blinked her eyes and did not move. Old Master ye frowned and asked, "What else do you want?"

Yun chujiu solemnly bowed to old master ye and said, "Little Jiu greets great-grandfather. Little Jiu is young and ignorant. If you are reckless in the future, please protect me."

Great-grandfather ye could not describe the feeling in his heart. He waved his hand. "As long as you are obedient, I will naturally send you a bright future. Go Out!"

Yun chujiu still did not move, instead, she smiled and took out a recording stone. "Great-grandfather, I believe you have heard about what happened this afternoon. However, what others reported and what they heard are still different. I happened to record the incident. You can relieve your boredom when you are free."

After Yun Chujiu finished speaking, she bowed and obediently left.

Old Master Ye leaned back on the chair and did not move for a long time. This little girl was able to bend and stretch. Although her aptitude was not comparable to that of LAN girl, her personality was able to accomplish things. It seemed that bringing her back was the right thing to do. Perhaps there would be some fortuitous encounter.

Old Master Ye picked up the recording stone, and Ge Shi's sharp and unkind voice came from within."... If I say one more thing, the Ye family will be mine to decide sooner or later..."

Old Master Ye was so angry that he broke the teapot and the Teacup into pieces. Housekeeper Fu, who was outside, was so scared that he trembled. Could it be that Miss Cousin had angered Old Master Ye? But when she saw Miss Cousin coming out, she was very happy. What on Earth was going on?

Yun Chujiu had just left the Great Elder's courtyard when she saw ye Bingyu stretching her neck and looking around. It was obvious that she was waiting for her.

Yun chujiu could not help but laugh at herself. She did not expect that she and Ye Bingyu would really become sisters after going through so many twists and turns. It was really a bad fate.

Ye Bingyu grabbed Yun chujiu and said in a low voice, "What did great-grandfather say to you? Did he say that he would put you under my father's name?"

Yun chujiu nodded, then, a bright smile appeared on her small face. "Sister Bingyu, my new identity document will be issued soon. Don't Call Me Mo Fangcao anymore. I want to return to my previous name. Yun Chujiu, you can just call me little jiu."

Yun chujiu let out a long breath. She could finally get rid of the stupid name of Mo Fangcao.

She had already thought it through. When she had a firm foothold in the Ye family, she would find Mo Cheng and ask him about the circumstances of her mother's marriage to him and the cause of her death. If it had nothing to do with the Mo family, then it would be fine. But if it was really the Mo family that harmed her mother..., she did not care about blood ties or not, she would not spare Mo Cheng!

As for the Ye family, if what Old Master Ye said was true, then the ye family could be kept for now. If there were any discrepancies, she would not let her mother suffer in vain.
