

The Yun Family's Ninth Child is an Imp! Chapter 231

Su Yanran's provocative words naturally caused the people of Spirit Radiance Sect to be dissatisfied. However, in the Qingxuan continent, the strong were respected. For Su Yanran to be able to reach the eighth level of the Spirit Enhancement at the age of 15; she indeed had the right to be arrogant.

Such a talent would become a successor disciple sooner or later. It was really not something to be underestimated.

Elder Qu was in a difficult situation. Spirit Radiance Sect naturally had many disciples above the eighth level of the Spirit Enhancement. However, Su Yanran was a new disciple of Heavenly Gates Sect. If they sent an old disciple, it would be equivalent to showing weakness in disguise. If that was the case, it would be better to lose! Moreover, it was not forbidden for the same person to fight twice. Even though they knew that Su Yanran had taken advantage of a loophole, there was nothing they could do.

It seemed that they were really careless. They did not expect that the Heavenly Gates Sect would send out all new disciples—they were caught unprepared. Looks like their sect was bound to lose this competition!

Du Guyi looked at Su Yanran with admiration. Then, he said to Master Xuanyuan with a smug expression, "Master Xuanyuan, it seems that the new disciples that you've recruited this time aren't strong enough!"

Although Master Xuanyuan was anxious in his heart, he looked calm on the surface. "The competition hasn't ended yet. You're too quick with your words!"

Du Guyi pursed his lips and thought to himself, 'What a stubborn duck!' He had made this decision after a round of investigation. Su Yanran's strength had crushed all the new disciples of the four great sects, so they would definitely win this competition!

The people of Spirit Radiance Sect could not help but feel a little discouraged when they saw that Elder Qu had not announced the candidates for the stage yet. That was right. Among them, only Liao Chuan

was at the eighth level of the Spirit Enhancement realm and he had already been defeated by Su Yanran. The rest were even more useless.

Just as the people of Spirit Radiance Sect were frowning, someone climbed up the stage along the ladder.

“Well, it’s getting late. Everyone must be hungry, right? Let me be the one to fight this round! Sect leader, you don’t have any objections, right?”

When the people from Spirit Radiance Sect saw the person who spoke on the stage and were instantly discouraged. ‘Wasn’t that Yun Chujiu from the Middle Peak’s big kitchen? Wasn’t she asking for trouble? Even though you have a lot of bad ideas, the difference between someone at the eighth level of the Spirit Enhancement realm and someone without spirit energy was like the difference between heaven and earth. Su Yanran could kill you with one move.’

The people from the Heavenly Gates Sect burst into laughter. “Oh my god, is there no one left in Spirit Radiance Sect? They actually brought up a trash without spirit energy! She actually climbed up a ladder! What’s that on her shoulders? A young fire-breathing crow?! There’s a strange-looking stick on her waist too. F*CK, isn’t that a rolling pin?!”

Elder Qu was so anxious that he was sweating profusely. This was simply too ridiculous! If Yun Chujiu were to be snuffed out, how would they explain it to Patriarch Linghua in the future?!

Just as Elder Qu was about to berate Yun Chujiu, Master Xuanyuan’s heart moved. This little girl, Yun Chujiu, had always been scheming and scheming. Perhaps she really had a way to defeat Su Yanran. Moreover, Yun Chujiu had the defensive spirit weapon that he and Peak Master Qu had given her. There was definitely no danger. Since there was no other way around it, why not let her give it a try? It was a last resort.

When Master Xuanyuan thought of this, he said in a deep voice, “Alright! This round, Spirit Radiance Sect will send Yun Chujiu to fight.”

Everyone in the sect felt that Master Xuanyuan had gone crazy!

'Yun Chujiu is causing trouble, and you're causing trouble too?!'

This round was definitely a lost cause!

Some disciples of Spirit Radiance Sect simply left with their heads drooping. They really did not want to see the ridiculing faces of their opponents after Yun Chujiu was abused.

Yun Chujiu, who was on the stage, smiled and cupped her fists toward the audience. "There are probably many people who don't know me. Let me introduce myself first. I am Yun Chujiu, the Fire Fairy of Spirit Radiance Sect's Middle Peak kitchen!"

Chapter 232: The Unbelievable Yun Chujiu

Fire Fairy?

'Holy shit! Yun Chujiu, do you still have any sense of shame?!'

The corners of her sect's members' eyes twitched and some of them were so shocked that they could not close their mouths! They had encountered thick-skinned individuals before, but for their skin to be as thick as Yun Chujiu's, it was truly unprecedented!

Was she the one who conferred herself the title of Fairy?

Those who could be called fairy had at least two conditions. One was that they were absolutely beautiful, and the other was that they possessed superb spiritual power. One would ask, which did she have?

The people from Heavenly Gates Sect laughed so hard that they rocked back and forth. A Fire Fairy?! To put it bluntly, was she not just a fire girl?! There really must have been no one else capable for them to send a fire girl on stage!

Could it be that they knew that they were going to lose, so they decided to just break the rules?!

Du Guyi smiled disdainfully and said, "Master Xuanyuan, could it be that you think Spirit Radiance Sect is going to lose, so you want this black girl to take the blame?"

Master Xuanyuan smiled faintly. "The winner hasn't been decided yet. Master Du Guyi, don't jump to conclusions."

Du Guyi curled his lips, "Hmph! A trash without spirit energy and a genius at the eighth level of the Spirit Enhancement realm. Even those without eyes know who will win! You'd better hurry up and prepare the Spirit Stones!"

Master Xuanyuan smiled and did not say anything. He was not sure either! He did not know if Yun Chujiu could make a comeback this time!

On the stage, Yun Chujiu looked at Su Yanran with a smile as if she did not hear the crowd's discussion. "Su Yanran, I haven't seen you for a few days, but you're getting more and more beautiful. You're almost as beautiful as me!"

The crowd was speechless.

Alright, Yun Chujiu was really shameless!

Su Yanran was also stunned when she saw Yun Chujiu on the stage. Now that she heard Yun Chujiu said such a thing, she looked at her with disdain and replied, "Yun Chujiu, didn't you say that Elder Sun Bozhong and Elder Sun took you as a disciple? Why did you become a fire girl?"

If it was an ordinary person, they would definitely be embarrassed if their background was exposed. Obviously, Yun Chujiu was not an ordinary person, so said with a smile, "Elder Sun is on a cultivation retreat! Moreover, I want to experience the people's sentiments. Also, I'm a Fire Fairy, not some fire girl!"

Su Yanran snorted coldly. "I don't care if you're a Fire Fairy or a fire girl. Once you enter the arena, it doesn't matter if you're dead or alive. I advise you to admit defeat immediately! Otherwise, don't blame me for being ruthless if I accidentally kill you!"

"Kill me? Do you have the ability to do that? Six Mighty Elephants couldn't even kill me, and you, a weak little chicken, wants to kill me? You're simply shameless!" Yun Chujiu hugged her small shoulders and said arrogantly while shaking her legs.

Su Yanran had always been proud and arrogant. How could she withstand Yun Chujiu's provocation? She was instantly enraged!

"Fine! Since you're courting death, then I'll fulfill your wish!" Su Yanran moved her palm toward Yun Chujiu.

The people from Spirit Radiance Sect could not bear to watch any longer. It was over. Yun Chujiu, this trash without spiritual power, would not be able to dodge this palm. She would definitely die! No matter how much evil tricks she had, it would be useless in the face of such a huge difference in strength!

Huh? Yun Chujiu was fine?

"Tsk tsk, you're really rude. I was talking to you in a friendly manner, but you attacked me at the first sign of disagreement. You're really shameless! Su Yanran, you're shameless!" Not only was Yun Chujiu fine, she was even jumping around as she dodged and cursed non-stop.

Su Yanran was so angry that she was about to explode. She attacked repeatedly! However, Yun Chujiu was able to craftily dodge Su Yanran's attacks every time. Moreover, she was extremely fast.

Whether it was the people of Spirit Radiance Sect or Heavenly Gates Sect, they were all extremely astonished!

A trash without spiritual power could actually fight against a person at the eighth level of the spirit Enhancement realm for so many rounds? It was really too unbelievable!

Did they not say that the difference in strength between levels was like a gully? Why did a good-for-nothing like Yun Chujiu look more relaxed than a Spirit Enhanced eighth level cultivator like Liao Chuan?
