

The Yun Family's Ninth Child is an Imp! Chapter 2320

Fire Eating Xiu was absolutely furious!

What a coincidence!

Damned little weakling! My beautiful long fur has now turned into curly fur. I must eat you today!

"Kitten, don't eat me first. Look at the sky." Yun chujiu pointed at the sky with her hand. Two huge three-eyed purple-tailed iron-clawed eagles had already flown over.

Fire Eating Xiu's pupils shrank. If it was a three-eyed purple-tailed iron-clawed eagle, it wouldn't be afraid. But if there were two, it didn't have much of a chance of winning. If it wasn't careful, it would lose its life.

"Little Cat, how about we make a deal? How about we work together to kill those two little birds?" Yun Chujiu said with a smile.

This mountain range spanned hundreds of Li. There might be some high-level demon beasts. If she wanted to leave, she could only walk from the sky. If the two three-eyed purple-tailed iron-clawed eagles didn't die, she wouldn't be able to leave.

Fire Eating Xiu snorted in disdain. Its meaning was self-evident. You Little Weakling, you still want to form an alliance with me? ! What use are you? !

Yun chujiu lowered her voice. "I know what you're thinking. It's because I'm weak, that's why I'm Useful! "Later, when the fight starts, pretend to be seriously injured and hide in the cave. I'll lure the two silly birds in. We'll turn them into roasted chickens!"

Fire Eating Xiu rolled its eyes. Since it didn't have anything to do with it, it would just agree with her. She wouldn't dare to play any tricks.

Just as they finished their discussion, the two three-eyed purple-tailed iron-clawed eagles swooped down and clawed at Yun Chujiu and Fire Eating Xiu.

Yun Chujiu threw a stack of super-grade burst talismans at the three-eyed purple-tailed iron-clawed eagles. Anyway, there were plenty of these things, so they could be treated as firecrackers.

Fire Eating Xiu, on the other hand, roared repeatedly and spat out a large fireball at one of the three-eyed purple-tailed iron-clawed Condor.

The two three-eyed purple-tailed iron-clawed condor dodged while wondering, how did this fire eating Xiu get together with a weak human chicken? Could it be that the fire eating Xiu was subdued by this weak human chicken? How was this possible?

No matter what, this fire eating Xiu usually hid in the cave. It was not easy for it to come out today, so this was a once-in-a-lifetime opportunity. Its meat was much better than those low-level demon beasts, and its inner core could also increase spiritual power.

As for that human girl's tender skin and flesh, she would treat it as a small snack before dinner!

After Yun Chujiu threw a pile of talismans, she exclaimed, "Oh my god, the talismans are used up, and my internal injuries have relapsed! I Can't take it anymore, I'm leaving!"

After Yun Chujiu said that, she slipped into the cave.

Fire Eating Xiu was so angry that it almost fainted!

It was supposed to pretend to be heavily injured, but she was the bait to lure the three-eyed purple-tailed iron-clawed eagle. Now, it was her pretending to be injured, and it had become the bait? Humans were too cunning!

Although the Fire Eating Xiu was furious, it could only retreat as it fought. Coincidentally, one of the three-eyed purple-tailed iron-clawed eagle's claws scratched a hole in its body. It let out a blood-curdling scream and retreated into the cave.

The two three-eyed purple-tailed iron-clawed eagles looked at each other. There was an earth flame in the cave, so they could only return empty-handed!

At this moment., the voice of the little human girl came from inside, “Wu Wu, Little Cat, why are you bleeding so much? If you die, what will happen to me? ! The earth flame in here has been extinguished. If those two ugly birds come in, I’m dead for sure!”

The eyes of the two three-eyed purple-tailed iron-clawed eagles shone with surprise. The earth flame had been extinguished? ! That’s right, if the core fire hadn’t been extinguished, wouldn’t that little human girl have turned into ashes long ago? !

This was a once-in-a-lifetime opportunity. That Fire Eating Xiu was already heavily injured, so that little girl wasn’t even worth mentioning. As long as she entered, the delicious food would be in her mouth!
