

The Yun Family's Ninth Child is an Imp! Chapter 2322

Just as the two three-eyed purple-tailed iron-clawed eagles were feeling smug, they strangely discovered that the little human chicken was still alive and kicking. It even muttered, "Eye of Enchantment? TSK TSK, that's all it is!"

Yun chujiu shot a few purple needles at the Fire Eating Xiu. "You silly cat, don't look at their eyes."

The pain woke the fire eating Xiu up. It did not bother to settle the score with Yun Chujiu and started fighting with the two three-eyed purple-tailed iron-clawed eagles again.

The two three-eyed purple-tailed iron-clawed eagles used a lot of spiritual power to use the eye of enchantment and soon fell into a disadvantageous position.

Two hours later, Yun Chujiu and the Fire Eating Xiu finally killed the two three-eyed purple-tailed iron-clawed eagles.

However, the man and the beast were so tired that they were panting and collapsed on the ground.

Yun chujiu blinked her eyes. This Fire Eating Xiu was not a good thing. She had to retreat quickly. Otherwise, if this damn fire eating Xiu recovered, it might eat her as well.

Yun chujiu forced herself to stand up and put the stone at the entrance of the cave into her storage ring. She rolled her eyes and turned back.

The Fire Eating Xiu initially thought that Yun chujiu was trying to escape. It was too tired, so it was too lazy to chase after her. Now that Yun Chujiu had returned, it could not help but stare at Yun chujiu suspiciously. What was this little weakling trying to do? Could it be that she wanted to kill me? She was really courting death!

Yun chujiu giggled at the Fire Eating Xiu. The Fire Eating Xiu was dumbfounded. Why was this little weakling laughing?

Just as the Fire Eating Xiu was confused, it saw Yun Chujiu put the corpse of a three-eyed purple-tailed iron-clawed eagle into her storage ring and then jumped out.

Before the Fire Eating Xiu could react, it heard a clear voice coming from outside:

“Kitten, no matter what, we worked together to kill these two three-eyed purple-tailed iron-clawed eagles. It’s only right for me to take one. I’m leaving. We’ll never see each other again!”

Fire Eating Xiu gritted its teeth in anger and suddenly jumped out of the cave. Yun Chujiu had already flown into the air and was winking at it. How arrogant was she.

Fire Eating Xiu roared in anger. Damn little weakling! Unless we can't see each other again in the future, I'll definitely kill you!

Yun chujiu was in a good mood. Not only did she escape death, but she also gained a huge advantage. Awesome!

It was only then that she realized that the voice transmission talisman in her storage ring was vibrating non-stop. She could not help but pat her thigh. The voice transmission talisman in the belly of the mountain should not be useful, and she was too nervous to notice it just now.

It had already been a day and a night since she fell into the belly of the mountain. It was already the morning of the second day.

Jin Zhi must have been worried sick when she realized that she had not returned to Xingtian Academy. She would definitely send a voice transmission talisman to an Feng. If an Feng knew, the gigolo would know as well.

Sure enough, several voice transmission talismans in the storage ring were trembling non-stop. Di beiming's, an Feng's, Xue Wuji's, and Jin Zhi's.

Yun chujiu quickly replied to them one by one, stating that she had already escaped danger. She would return to the Ye family first before returning to the academy. As for Xingtian Academy, there was still the ye family, so she naturally didn't have to worry.

Yun chujiu could not help but curse in her heart. The management of the Xingtian Academy and the WA Stone Academy was actually not strict. It was much easier to apply for leave than the Tianyuan Academy. Moreover, a first-class family could obtain special privileges with a little pressure.

No wonder after so many years, the two academies had only managed to reach the same level of strength as a first-class sect. There was simply no way for them to compare to a super sect like the primordial chaos sect.

Yun Chujiu summoned her flying spirit tool and flew towards ye city. She calculated in her heart and naturally, she could not tell the truth. However, she had to be able to explain it. After all, housekeeper Fu and the others should have seen her fall into the belly of the mountain.
