

## The Yun Family's Ninth Child is an Imp! Chapter 2326

After all, Yun Chujiu was only an unmarried girl. The funeral rules in the immortal Yuan continent were not as complicated as those in the secular world. Thus, the people accompanying the spirits only needed to stand and return the gifts to the mourners, however, standing for the entire morning was tiring enough.

Liu Shi and ye Bingyu were naturally unwilling to do such a laborious task. They had long accompanied those madams to the western living room.

Min Shi and ye Bingyu, who were not welcomed by Ge Shi, were tragically left in the spirit loft. Min Shi's heart ached for ye Bingyu, so she lowered her voice and said,

"According to the rules, condolence is only allowed before noon. After Noon, you can go back to the courtyard to rest for a while. Mother will stay here to guard."

"Mother, your health is not good. It's better for me to stay here to guard. You can go back and rest."Ye Bingyu stretched her limbs and said.

The mother and daughter moved back and forth. In the end, it was still the Min Shi who persuaded ye Bingyu. Ye Bingyu could only listen to the Min Shi's arrangements and prepare to return to the courtyard to rest for a while before coming over to replace the Min Shi.

Yun Chujiu, who was hiding in the corner, could not help but have her eyes light up. This was her chance!

Yun chujiu followed behind ye Bingyu and walked towards the backyard. When the old woman guarding the main gate of the inner residence saw that Yun Chujiu was following ye Bingyu, she did not stop her. She guessed that some lady's maid was following Miss Bingyu to retrieve something.

Ye Bingyu did not notice it at first because she had a lot on her mind. After a while, she realized that something was wrong.

"Stop! Which Guest's maid are you? Why did you break into the back residence?" Ye Bingyu shouted sternly.

Yun chujiu smiled at Ye Bingyu and said in a low voice, "Sister Bingyu, it's me. I'm Little Jiu, who wants to enter the primordial chaos sect with you."

Ye Bingyu was stunned for a moment before she subconsciously wanted to scream. However, Yun Chujiu, who was already prepared, covered her mouth and said, "I didn't die from the fire. I have something to tell you. It's important."

Yun chujiu saw that ye Bingyu had calmed down, so she let go of her hand and said, "Continue walking forward and pretend that nothing happened."

Ye Bingyu felt that her brain was not enough. Little Jiu had not been burned to death? How was this possible? That was the earth core fire! Housekeeper fu said that only the mighty figures of the primordial chaos sect could save their lives. How could little jiu be safe?

And how did her appearance become like this? How did she do it?

Ye Bingyu returned to her own courtyard in a daze. The other maids and women in the courtyard had gone to help, leaving only Liu Li behind.

Liu Li saw that her miss had brought back an unfamiliar girl. Although she was curious, she did not dare to ask further.

“Stand guard outside. Don’t let anyone in,”ye Bingyu said to Liu Li.

Liu Li obediently stood guard outside the courtyard. Only then did ye Bingyu lower her voice and exclaimed, “Are you really Yun Chujiu? You Didn’t lie to me? Aren’t you dead?”

“Pui! You’re the one who’s dead! A disaster like me will live for ten thousand years.”Yun chujiu crossed her legs and sat on the chair. She poured herself a cup of tea and sipped it.

Initially, Ye Bingyu had some doubts about Yun Chujiu's identity. Now that she heard her tone and looked at how shameless she was, she immediately confirmed that the person in front of her was the thick-skinned Yun Chujiu.

Ye Bingyu's nose was a little sore, and she said unhappily, "Since you're not dead, why did you pretend to be a ghost and become like this?!"

"Sigh! It's a long story! I only found out that I was dead after I entered the city. I Can't say that I'm alive again, right? If that's the case, where will the Ye family put their face?" Yun chujiu sighed and said.
