

## The Yun Family's Ninth Child is an Imp! Chapter 2329

Yun chujiu blinked her eyes and continued, "The old woman guarding the inner residence saw me just now. In a while, let Liu Li wear my clothes and go out with you. Then, when the old woman is changing shifts, Liu Li will sneak in again to avoid any trouble."

"What About Me?"

"Come back during dinner. I will wear Liu Li's clothes and go out with you. Then, at midnight, you will think of a way to distract your mother so that I can lie in the coffin."

Ye Bingyu nodded. She had already broken all the rules. Anyway, her brain could not be compared to a pervert's. She would just do as Yun Chujiu said.

After the two of them finished discussing, Ye Bingyu ate something. Then, she asked Liu Li to change into Yun Chujiu's clothes and followed ye Bingyu out of the inner residence.

Liu Li had her head lowered the whole time. In addition, Ye Bingyu had intentionally or unintentionally covered her face. The old woman guarding the door subconsciously thought that it was the maid who had just come in.

During dinner, Ye Bingyu used the same trick again and brought Yun Chujiu, who was wearing Liu Li's clothes, out. The sky was already getting dark, and the old woman guarding the door didn't pay much attention to it, she thought that Ye Bingyu had brought her maid out.

When they reached the spirit shed, Yun chujia found a corner and stood with her head lowered. Min Shi also thought that it was one of Ye Bingyu's maids, so she didn't pay too much attention to it.

"Mother, you've been guarding here for a day. Go back and rest. I'll keep watch," ye Bingyu said to Min Shi.

How could Min Shi Trust ye Bingyu to keep watch? ! No matter what she said, she wouldn't agree. In the end, ye Bingyu said, "Mother, why don't you go back and rest for four hours before coming back? We mother and daughter will keep watch together."

Min Shi was indeed a little tired. She could only nod in agreement and give some instructions. Then, she stood up and left the spirit loft.

There were still some guards outside the spirit loft. Ye Bingyu walked out and said to them, "You guys have been standing there for a whole day. Come back after you have eaten at the canteen!"

Those guards naturally could not wait. All of them left with great gratitude.

Taking advantage of this opportunity, Ye Bingyu and Yun chujia lifted the lid of the coffin, and then Yun chujia lay inside.

“TSK tsk, it’s still quite comfortable inside! Sister Bingyu, do you want to come in and lie down for a while?”Yun Chujiu said with a smile.

The corner of Ye Bingyu’s eyes twitched. “You can enjoy yourself inside. I’m not as perverted as you.”

Just as ye Bingyu was speaking, the coffin was opened, yun chujiu sat inside and scolded, “It’s good in here, but it’s a little hard to breathe. I need to make a few air holes. Keep an eye on it. Let me know if anyone comes.”

Ye Bingyu nodded and walked to the exit of the spirit shed to keep an eye on it. Yun chujiu shot a few purple needles at the bottom of the coffin to control the force of the explosion and made a few air holes.

Seeing that Yun Chujiu was done, Ye Bingyu walked over to help close the coffin lid.

The two of them began to chat across the coffin board. Yun chujiu curled her lips and said, “Sister Bingyu, I’m not trying to sow discord. Don’t you think that Ge Shi and the eldest branch are too much? !”!

“Not only did they let you and second aunt guard during the day, but they also let you guard at night. Liu Shi and ye Bingying rushed to the front when something good happened, but they left the suffering to our second branch.”

Ye bingyu snorted coldly, “It’s always like this. The main branch is the one who shows his face, but the second branch is the one who contributes.”. “To say something disrespectful, this is because you’re dead, so they let me and my mother guard the place. If someone else dies, I think my father will have to come and guard the place too.”
