

## The Yun Family's Ninth Child is an Imp! Chapter 233

Du Guyi was also very surprised, but he looked at the situation on the stage, sneered, and said, "Although this little girl has some ability, this is only temporary. She only has the ability to dodge and has no chance to fight back. She'll lose without a doubt if she can't last more than fifteen rounds!"

Many people also understood that reasoning. Although it was very surprising that Yun Chujiu could hold on for so long, the outcome could not be changed. She would still lose without a doubt!

Yun Chujiu avoided Su Yanran's attack as she said with a grin, "Su Yanran, you still dare to boast shamelessly that Spirit Radiance Sect is only subpar. I see that your Heavenly Gates Sect isn't that special either! Your spiritual power has almost been used up, right? A wise man submits to circumstances. Quickly... For the sake of our past friendship, as long as you kneel down and admit your mistake to me, I'll spare you!"

The crowd was angered by Yun Chujiu's words. 'You've said it the other way around. If you want to be spared, Su Yanran should be the one sparing you!'

Su Yanran would kneel down and beg for mercy?

Not unless the sun rose from the north!

Su Yanran had failed to defeat Yun Chujiu after many rounds. She had long been impatient. When she heard Yun Chujiu say that, she was so angry that her lungs were about to explode. She even stepped up her attacks.

Unexpectedly, something unwarranted happened. Su Yanran stumbled and actually fell onto the stage with a bang.

"Ah, that's right! Since you're so tactful, I'll give you something good!" Yun Chujiu pretended to take out a big bag of chili powder from her storage ring. She threw it at Su Yanran.

Su Yanran just looked up. She thought it was a hidden weapon, so she could not dodge in time. She swung her wind blade. Boom! The chili powder inside got on Su Yanran's face.

"Cough! Cough! Achoo! Achoo!" Su Yanran coughed so hard that her nose was full of snot. She looked as pathetic as she could be!

How could Yun Chujiu let go of such a good opportunity? She kicked Su Yanran off the stage! Then, she put her hands behind her back and imitated Su Yanran's previous arrogant look. "The Heavenly Gates Sect is only subpar!"

The crowd was silent at first, then they began to discuss.

"Oh my God! Hurry up and pinch me! Yun Chujiu actually won?"

"F\*ck! A good-for-nothing without spiritual power actually defeated a level-eight spirit cultivator?"

"Why did that Su Yanran suddenly fall on the stage? Could it be that she really begged Yun Chujiu for mercy?"

"If you ask me, it must be that Su Yanran tripped and that Yun Chujiu took advantage of the situation!"

"Oh right, what kind of poison do you think Yun Chujiu threw? Why is that Su Yanran coughing so hard that she can't even breathe?"

A disciple who was close to the arena looked at some of the powder floating down and said, "Chili powder! This is ordinary chili powder!"

Su Yanran was already embarrassed and angry, but when she heard the discussion of the crowd, she was so angry that she rolled her eyes and almost fainted! 'Yun Chujiu! I won't forgive you! Just you wait! Today is just an accident. If I hadn't accidentally fallen, your chili powder wouldn't have succeeded. There's still time in the future, and sooner or later, I'll have to take revenge for today's humiliation!'

Seeing that the outcome was already decided, Yun Chujiu climbed down the ladder with a smile. Then, she shouted in the direction of Master Xuanyuan, "Master Xuanyuan, fortunately, we didn't fail! Our Spirit Radiance Sect has won!"

Master Xuanyuan was feeling refreshed. He found Yun Chujiu so pleasing to the eye. He nodded at her and then said to Du Guyi, "Master Dugu, I'm really sorry. Our sect has the upper hand. Please fulfill your promise!"

Du Guyi glared at Yun Chujiu fiercely. 'Everything turned out like this because of this Yun Chujiu! Detestable. She is really detestable!'
